We may disclose non-public, personal information you provide, as required to conduct our business and as permitted or required by law. We may share information with our insurance company affiliates or with third parties that assist us in processing and servicing your account. We also may share your information with regulatory or law enforcement agencies, reinsurers and others, as permitted or required by law.

Our insurance companies may share information with their affiliates, but will not share information with non-affiliated third parties who would use the information to market products or services to you.

Our standards for disclosure apply to all of our current and former customers.

Safeguards to Protect Your Personal Information

We recognize the need to prevent unauthorized access to the information we collect, including information held in an electronic format on our computer systems. We maintain physical, electronic and procedural safeguards intended to protect the confidentiality and integrity of all non-public, personal information, including but not limited to social security numbers, driver's license numbers and other personally identifiable information.

Internal Access to Information

Access to personal, non-public information is limited to those people who need the information to provide our customers with products or services. These people are expected to protect this information from inappropriate access, disclosure and modification.

Consumer Reports

In some cases, we may obtain a consumer report in connection with an application for insurance. Depending on the type of policy, a consumer report may include information about you or your business, such as:

- character, general reputation, personal characteristics, mode of living;
- credit history, driving record (including records of any operators who will be insured under the policy); and/or
- an appraisal of your dwelling or place of business that may include photos and comments on its general condition.

Access to Information

Upon written request, we will inform you if we have ordered an investigative consumer report. You have the right to make a written request within a reasonable period for information concerning the nature and scope of the report and to be interviewed as part of its preparation. You may obtain a copy of the report from the reporting agency and, under certain circumstances, you may be entitled to a copy at no cost.

You also may review certain information we have about you or your business in our files. To review information we maintain in our files about you or your business, please write to us, providing your complete name, address and policy number(s), and indicating specifically what you would like to see. If you request actual copies of your file, there may be a nominal charge.

We will tell you to whom we have disclosed the information within the two years prior to your request. If there is not a record indicating that the information was provided to another party, we will tell you to whom such information is normally disclosed.

There is information that we cannot share with you. This may include information collected in order to evaluate a claim under an insurance policy, when the possibility of a lawsuit exists. It may also include medical information that we would have to forward to a licensed medical doctor of your choosing so that it may be properly explained.

Correction of Information

If after reviewing your file you believe information is incorrect, please write to the consumer reporting agency or to us, whichever is applicable, explaining your position. The information in question will be investigated. If appropriate, corrections will be made to your file and the parties to whom the incorrect information was disclosed, if any, will be notified. However, if the investigation substantiates the information in the file, you will be notified of the reasons why the file will not be changed. If you are not satisfied with the evaluation, you have the right to place a statement in the file explaining why you believe the information is incorrect. We also will send a copy of your statement to the parties, if any, to whom we previously disclosed the information and include it in any future disclosures.

THIS NOTICE IS PROVIDED IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS NOTICE DOES NOT GRANT COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF COVERAGE UNDER THE POLICY. IF THERE IS A CONFLICT BETWEEN THIS NOTICE AND THE POLICY, THE PROVISIONS OF THE POLICY SHALL APPLY.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

Schedule

Disclosure of Premium:	
Total Terrorism Premium	\$ 1184
Fire Following Premium	\$ 678
Other than Fire Following Premium	\$ 506

Disclosure of Terrorism Coverage Available

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from "acts of terrorism" defined in Section 102(1) of the Act as follows:

Any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

The premium charged for this coverage is provided in the Schedule above and does not include any charges for the portion of loss that may be covered by the Federal Government as described below.

Your policy may contain other exclusions which could affect your coverage, such as an exclusion for Nuclear Events or Pollution. **Please read your policy carefully.**

Note for Commercial Property or Commercial Inland Marine Policyholders in Standard Fire States:

In your state, a terrorism exclusion makes an exception for (and therefore provides coverage for) fire losses resulting from an act of terrorism. If you reject the offer of terrorism coverage, therefore, that rejection does not apply to fire losses resulting from an act of terrorism. Coverage for such fire losses will be provided in your policy. The additional premium just for such fire coverage is shown in the Schedule above.

Disclosure of Federal Participation in Payment of Terrorism Losses

The United States government through the Department of the Treasury may pay a share of terrorism losses insured under the federal program under a formula set forth in the Act. Under this formula, the United States government generally reimburses the following percentage of covered terrorism loss which exceeds the statutorily established deductible paid by the insurance company providing the coverage: 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020.

Cap on Insurer Participation in Payment of Terrorism Losses

The Act contains a \$100 billion cap that limits the reimbursement by the United States government as well as insurers' liability for losses resulting from certified acts of terrorism. If the aggregate of insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Act, we will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Rejection of Terrorism Insurance Coverage

I decline to purchase terrorism coverage for certified acts of terrorism. I understand that I will have no coverage for losses resulting from certified acts of terrorism.

STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

“Emergency Event Communication Expense”

We will pay necessary “emergency event communication expense” incurred by you resulting from a “covered emergency” at a “covered

location” for the sixty (60) consecutive days after a “covered emergency”.

This Additional Coverage does not apply to:

- (1) Any costs related to communications, advice or strategy development, that address continuing publicity or image concerns for periods occurring beyond the sixty (60) consecutive day period after a “covered emergency”, or
- (2) Communication-related expense dealing with mitigating negative publicity or restoring your

enterprise's image at any location other than the "covered location" at which the "covered emergency" occurred.

B. Emergency Event Business Income and Extra Expense – Optional Coverage

For the purpose of coverage under this endorsement only, when the Business Income (and Extra Expense) Coverage Form CP 00 30, or the Business Income (and Extra Expense) Coverage Form – Actual Loss Sustained 411-0581 is made a part of this policy, the following replaces all provisions of the Business Income (and Extra Expense) Coverage Form CP 00 30 or the Business Income (and Extra Expense) Coverage Form – Actual Loss Sustained 411-0581.

1. "Emergency Event Business Income" and Extended "Emergency Event Business Income" Coverage

a. "Emergency Event Business Income"

Subject to the Waiting Period shown in the Schedule of this endorsement, we will pay the actual loss of "emergency event business income" you sustain due to the necessary "suspension" of your "operations" during the "emergency event period of restoration". The "suspension" must be caused by or result from a "covered emergency" at your "covered location".

b. Extended "Emergency Event Business Income"

If the necessary "suspension" of your "operations" caused by or resulting from a "covered emergency" produces an "emergency event business income" loss payable under this endorsement, we will also pay the actual loss of "emergency event business income" you incur during the period that:

- (1) Begins on the date "operations" are resumed, or the date the "covered location" can be re-occupied by a tenant; and
- (2) Ends on the earlier of:
 - (a) The date you could reasonably restore your "operations" to a level which would generate the business income that would have existed had no "covered emergency" occurred; or
 - (b) The date you could reasonably have the "covered location" re-occupied by a tenant to a level that would generate the rental income which would have existed

if the "covered emergency" had not occurred; or

- (c) Thirty (30) consecutive days after the date determined in b. (1) above.

c. Additional Conditions and Limitations – "Emergency Event Business Income" and Extended "Emergency Event Business Income"

- (1) When alternative locations, whether or not owned by you, could have been used to mitigate any "Emergency Event Business Income" loss or Extended "Emergency Event Business Income" loss but were not, we will not pay more than what the calculable loss would have been had these other locations been used to mitigate the loss.
- (2) In the event that your coverage for loss of "Emergency Event Business Income" ends because it extends beyond the sixty (60) consecutive days provided after the "covered emergency", your coverage for Extended "Emergency Event Business Income" loss will commence only when and if you actually resume "operations" (or tenancy is re-established). When "operations" do not resume upon expiration of the sixty (60) consecutive day period, an interruption in your coverage for Business Income will occur between:
 - (a) The end of your "Emergency Event Business Income" coverage; and
 - (b) The start of your Extended "Emergency Event Business Income" coverage.
- (3) "Emergency Event Business Income" and Extended "Emergency Event Business Income" do not apply to loss of Business Income or loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the "covered emergency" in the area where the "covered locations" are located.

d. Loss Determination - Business Income and Extended Business Income

The amount of "emergency event business income" loss will be determined based on:

(1) The Net Income of the business at the "covered location" before the "covered emergency" occurred;

(2) The likely Net Income of the business at the "covered location" if no "covered emergency" occurred, but not including:

(a) Net Income earned due to increased sales or similar activity at other "covered locations" caused by the disruption of "operations" at the "covered location" where the "covered emergency" occurred; or

(b) Net Income that would have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the "covered emergency" on customers or other businesses; or

(c) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the "covered emergency"; and

(3) Other relevant sources of information, including but not limited to:

(a) Your financial records and account procedures;

(b) Bills, invoices and other vouchers; and

(c) Deeds, liens or contracts.

additional costs to equip and operate the temporary or replacement location; or

(2) Minimize the "suspension" of business if you cannot continue your "operations".

(1) ransom, extortion or other type of funds paid directly or indirectly to actual or alleged perpetrators causing, or threatening to cause, a "covered emergency"; or

3. **Resumption of Operations** – We will reduce the amount of:

a. "Emergency event business income" to the extent you can resume your "operations", in whole or in part, at the affected "covered location" or elsewhere; and

b. "Emergency event extra expense" loss to the extent you can return "operations" to normal and discontinue such "emergency event extra expense".

If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

C. "Post Emergency Event Expense"

1. We will pay an "invitee's" "post emergency event expense" for sixty (60) consecutive days after the "covered emergency", subject to the Post Emergency Event – Per Person Limit of Insurance shown in the Schedule above.

2. Coverage is extended only to those "invitees" present at the affected "covered location" when the "covered emergency" occurred and whose treatment or expense arises directly from the trauma suffered from the "covered emergency".

- (1) We will pay for physical damage to transportable "covered equipment" that, at the time of the "accident" or "electronic circuitry impairment", is not at a covered location. As respects this Off Premises Equipment Breakdown coverage only, the "accident" or "electronic circuitry impairment" may occur in any country except one in which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
- (2) We will also pay for your reasonable and necessary cost to research, replace and restore lost "data" contained within "covered equipment" as described under **f.(1)** above. This amount may not exceed the limit applicable to Data Restoration coverage.
- (3) The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, and Data Restoration as described in **f.(2)** above is the limit for Property Off Premises Coverage Extension shown in your policy.

g. Public Relations

- (1) This coverage only applies if you have sustained an actual loss of Business Income covered under this endorsement.
- (2) We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - (a) The media;
 - (b) The public; or
 - (c) Your customers, clients or members.
- (3) Such costs must be incurred during the "period of restoration" or up to 30 days after the "period of restoration" has ended.
- (4) The most we will pay for loss or expense under this coverage is \$5,000.

h. Scientific Animals

We will pay for loss or damage to "scientific animals" resulting from an "accident" to "covered equipment" when the Life Science Property Broadening Endorsement is included in the policy. The most we will pay for loss, damage or expense under this coverage is the lesser of the limit shown in the Life Science Property Broadening Endorsement or \$100,000, unless otherwise shown in the "schedule".

i. Service Interruption

- (1) Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage is extended to apply to your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an "accident" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, "cloud computing services", wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.
- (2) "Cloud computing services" must be provided by a professional provider with whom you have a contract.
- (3) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to "data" stored in the equipment of a provider of "cloud computing services".
- (4) Unless otherwise shown in the "schedule", Service Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the "accident". If the interruption exceeds 24 hours, coverage will begin at the time of the disruption, and the applicable deductible will apply.
- (5) The most we will pay in any "one equipment breakdown" for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense,

Data Restoration or Spoilage, except that if a limit is shown in the "schedule" for Service Interruption, that limit will apply to Business Income and Extra Expense loss under this coverage.

j. Spoilage

(1) We will pay for:

- (a) Physical damage to "perishable goods" due to spoilage;
- (b) Physical damage to "perishable goods" due to contamination from the release of refrigerant, including but not limited to ammonia;
- (c) Any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

(2) If you are unable to replace the "perishable goods" before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the "perishable goods" at the time of the "accident" or "electronic circuitry impairment", less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.

(3) The most we will pay for loss, damage or expense under this coverage is \$100,000 unless otherwise shown in the "schedule".

B. EXCLUSIONS

All exclusions in the applicable Causes of Loss form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

1. The following exclusions are modified:

- a. If the Causes of Loss – Basic Form or Causes of Loss – Broad Form apply, the following is added to **Exclusion B.2.:**

Depletion, deterioration, corrosion, erosion, wear and tear, or other gradually developing conditions. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

- b. If the Causes of Loss – Special Form applies, with respect to this endorsement only, the last paragraph of **Exclusion B.2.d.** is replaced by the following:

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in an “accident” or “electronic circuitry impairment”, we will pay for the loss, damage or expense caused by that “accident” or “electronic circuitry impairment”.

2. The following exclusions are added to the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Causes Of Loss – Basic Form, the Causes Of Loss – Broad Form, and the Causes Of Loss – Special Form:

- a. We will not pay for loss, damage or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an “accident” or “electronic circuitry impairment”:

- (1) Fire, including smoke from a fire;
- (2) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere;
- (3) Any other explosion, except as specifically covered under this endorsement;
- (4) Any earth movement, including but not limited to earthquake, subsidence, sinkhole collapse, landslide, earth sinking, tsunami or volcanic action;
- (5) Flood, surface water, waves, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not; mudslide or mudflow; or water that backs up or overflows from a sewer, drain or sump. However, if electrical “covered equipment” requires drying out because of the above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies; or

- (6) Vandalism.

- b. Coverage under this endorsement does not apply to an “accident” or “electronic circuitry impairment” caused by or resulting from:

- (1) Lightning;
- (2) Windstorm or hail. However this exclusion does not apply when:

- (a) “Covered equipment” located within a building or structure suffers an “accident” or “electronic circuitry impairment” that results from wind-blown rain, snow, sand or dust; and

- (b) The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow or dust entered.

- (3) Smoke; aircraft or vehicles; riot or civil commotion; sprinkler leakage; elevator collision;

- (4) Breakage of glass; falling objects; weight of snow, ice or sleet; freezing (caused by cold weather); collapse or molten material;

- (5) A hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment; or

- (6) Water or other means used to extinguish a fire.

- c. With respect to Business Income, Extra Expense and Service Interruption coverages, we will also not pay for any increase in loss resulting from an agreement between you and your customer or supplier.

- d. Except as specifically provided under **A.2.d. Fungus, Wet Rot, Dry Rot and Bacteria** coverage we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an “accident” or “electronic circuitry impairment”: Any “fungus”, wet rot, dry rot or bacteria, including any presence, growth, proliferation, spread or any activity of “fungus”, wet rot, dry rot or bacteria. This includes, but is not limited to, costs arising from clean up, removal, or abatement of such “fungus”, wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is “perishable goods”, to the extent that such spoilage is covered under Spoilage coverage.

- e. Except as specifically provided under **A.2.h. Scientific Animals** coverage, we

will not pay for any loss or damage to animals.

3. Exclusions 2.b.(1), 2.b.(2), 2.b.(3), and 2.b.(4) above shall not apply if:

- a. The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;
- b. Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and
- c. The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.

4. Any cause of loss set forth in Exclusion 2.b.(4) above that is not a Covered Cause of Loss in this coverage part shall be excluded only as respects Service Interruption coverage.

C. DEFINITIONS

For the purpose of this endorsement only, the following definitions are added:

1. "Accident"

- a. "Accident" means a fortuitous event that causes direct physical damage to "covered equipment". The event must be one of the following:

- (1) Mechanical breakdown, including rupture or bursting caused by centrifugal force;
- (2) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
- (3) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
- (4) Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
- (5) Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

- b. None of the following is an "accident":

- (1) Defect, programming error, programming limitation, computer virus, malicious code, loss of "data",

loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind; or

- (2) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident".

2. "Boilers and vessels" means:

- a. Any boiler, including attached steam, condensate and feedwater piping; and
- b. Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in the "schedule".

- 3. "Cloud computing services" means** professional, on-demand, self-service data storage or data processing services provided through the internet or over telecommunications lines. This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. "Cloud computing services" include private clouds if such services are owned and operated by a third party.

4. "Covered equipment"

- a. "Covered equipment" means, unless otherwise specified in the "schedule", Covered Property:

- (1) That generates, transmits or utilizes energy; or
- (2) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

"Covered equipment" may utilize conventional design and technology or new or newly commercialized design and technology.

- b. None of the following is "covered equipment":

- (1) Structure, foundation, cabinet or compartment;
- (2) Insulating or refractory material;

- This term does not appear elsewhere in this endorsement, but may appear in the “schedule”.

14. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle".

D. DEDUCTIBLE

The Building and Personal Property Coverage Form is modified as follows:

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in the "schedule". If a separate Equipment Breakdown deductible is shown, the following applies.

Only in regards to Equipment Breakdown Coverage, provision **D. DEDUCTIBLE** in the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Causes Of Loss – Basic Form, the Causes Of Loss – Broad Form, and the Causes Of Loss – Special Form: is replaced by the following:

1. Deductibles for Each Coverage

- a. Unless the "schedule" indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown".
- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- c. If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".
- b. Unless more specifically indicated in the "schedule":

- (1) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
- (2) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

3. Application of Deductibles

a. Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

b. Time Deductible

If a time deductible is shown in the "schedule", we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment". If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

c. Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as

determined above. The result shall be used as the applicable deductible.

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

E. CONDITIONS

1. The following conditions are added to the Conditions in the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Commercial Property Conditions and the Common Policy Conditions:

a. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by mailing or delivering a written notice of suspension to:

- (1) Your last known address; or
- (2) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

c. Coinsurance

If a coinsurance percentage is shown in the "schedule" for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

2. For the purpose of this endorsement only, **E. Loss Conditions, 7. Valuation** in the Building and Personal Property Coverage Form is replaced by the following:

7. Valuation

We will determine the value of Covered Property as follows:

- a. Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:

- (1) The cost to repair the damaged property;
- (2) The cost to replace the damaged property on the same site; or
- (3) The amount you actually spend that is necessary to repair or replace the damaged property.

- b. Except as described in **c.** below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

c. Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with

like kind and quality. This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

d. The following property will be valued on an Actual Cash Value basis:

- (1) Any property that does not currently serve a useful or necessary function for you;
- (2) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and
- (3) Any Covered Property for which Actual Cash Value coverage is specified in a "schedule", Actual Cash Value includes deductions for depreciation.

e. If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:

- (1) The property was manufactured by you;

(2) The sales price of the property is less than the replacement cost of the property; or

(3) You are unable to replace the property before its anticipated sale.

f. Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:

- (1) For mass-produced and commercially available software, at the replacement cost.
- (2) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

The most we will pay for loss, damage or expense under this endorsement arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations unless otherwise shown in the "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.

Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, **n.**, does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

 - (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
 - (c) Rowboats or canoes out of water at the described premises; or
 - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or
- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
 - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
 - (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
 - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (e) Remove deposits of mud or earth from the grounds of the described premises;
 - (f) Extract "pollutants" from land or water; or
 - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1)** While it is being moved or while temporarily stored at another location; and
- (2)** Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1)** Assumed by contract or agreement prior to loss; or
- (2)** Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.

- (5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
 - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
 - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250
<hr/>
\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

$$\$59,850 + \$80,000 = \$139,850$$

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

- h.** A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

- (1)** As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:
- (a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b)** When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i)** Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii)** Used by the building owner to conduct customary operations.

- (2)** Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1)** We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:
- (a)** Vandalism;
- (b)** Sprinkler leakage, unless you have protected the system against freezing;
- (c)** Building glass breakage;
- (d)** Water damage;
- (e)** Theft; or
- (f)** Attempted theft.
- (2)** With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a.** At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.
- b.** If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
 - (1) Actual cash value of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 100,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 200,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When:	The value of the property is:	
	Building at Location 1:	\$ 75,000
	Building at Location 2:	\$ 100,000
	Personal Property at Location 2:	<u>\$ 75,000</u>
		\$ 250,000
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
	The Deductible is:	\$ 1,000
	The amount of loss is:	
	Building at Location 2:	\$ 30,000
	Personal Property at Location 2:	<u>\$ 20,000</u>
		\$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- The term mortgageholder includes trustee.
- We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F. Definitions.

A. Coverage

1. Business Income

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1) Business Income Including "Rental Value".
- (2) Business Income Other Than "Rental Value".
- (3) "Rental Value".

If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

- a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
- d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
 - (2) When your Civil Authority Coverage for Business Income ends;
- whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income**(1) Business Income Other Than "Rental Value"**

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

- (1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph A.4.d. therein.
- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.
- 6. Coverage Extension**
- If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:
- Newly Acquired Locations**
- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
 - b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location, unless a higher limit is shown in the Declarations.
 - c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;
2. Civil Authority;
3. Extra Expense; or
4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

- a. The amount of Business Income loss will be determined based on:
 - (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
 - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

D. Additional Condition

COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times
2. The sum of:
 - a. The Net Income (Net Profit or Loss before income taxes), and
 - b. Operating expenses, including payroll expenses,
 that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

- Step (1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
- Step (2):** Divide the Limit of Insurance for the described premises by the figure determined in **Step (1)**; and
- Step (3):** Multiply the total amount of loss by the figure determined in **Step (2)**.

We will pay the amount determined in **Step (3)** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight – outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw stock and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);
- (11) All payroll expenses or the amount of payroll expense excluded (if Form **CP 15 10** is attached); and
- (12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000

The Coinsurance percentage is: 50%

The Limit of Insurance is: \$ 150,000

The amount of loss is: \$ 80,000

Step (1): $\$400,000 \times 50\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$150,000 \div \$200,000 = .75$

Step (3): $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example 2 (Adequate Insurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000

The Coinsurance percentage is: 50%

The Limit of Insurance is: \$ 200,000

The amount of loss is: \$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$400,000 \times 50\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:

- (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
- (2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example

When: The Limit of Insurance is: \$ 120,000
 The fraction shown in the Declarations for this Optional Coverage is: 1/4
 The most we will pay for loss in each period of 30 consecutive days is: \$ 30,000
 (\$120,000 x 1/4 = \$30,000)
 If, in this example, the actual amount of loss is:

Days 1–30:	\$ 40,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	<hr/>
	\$ 90,000

We will pay:

Days 1–30:	\$ 30,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	<hr/>
	\$ 80,000

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:
 - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

- (a) The Coinsurance percentage shown in the Declarations; multiplied by
- (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

- (1) 12 months after the effective date of this Optional Coverage; or
- (2) The expiration date of this policy; whichever occurs first.

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

- (1) Within 12 months of the effective date of this Optional Coverage; or
- (2) When you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

- (1) The Business Income Limit of Insurance; divided by
- (2) The Agreed Value.

Example

When: The Limit of Insurance is: \$ 100,000
 The Agreed Value is: \$ 200,000
 The amount of loss is: \$ 80,000

Step (1): $\$100,000 \div \$200,000 = .50$

Step (2): $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph A.5.c., **Extended Business Income**, the number 60 in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

- (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

 - (c) Doors, windows or other openings; or
- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

But if fire results, we will pay for the loss or damage caused by that fire.

- b. Delay, loss of use or loss of market.
- c. Smoke, vapor or gas from agricultural smudging or industrial operations.
- d.(1) Wear and tear;
- (2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

- (4) Settling, cracking, shrinking or expansion;

- (5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

- (6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if mechanical breakdown results in elevator collision, we will pay for the loss or damage caused by that elevator collision.

- (7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a "specified cause of loss" or building glass breakage, we will pay for the loss or damage caused by that "specified cause of loss" or building glass breakage.

- e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- f. Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.
- g. Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing, unless:
- (1) You do your best to maintain heat in the building or structure; or

(2) You drain the equipment and shut off the supply if the heat is not maintained.

- h. Dishonest or criminal act (including theft) by you, any of your partners, members, officers, managers, employees (including temporary employees and leased workers), directors, trustees or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party.

This exclusion:

- (1) Applies whether or not an act occurs during your normal hours of operation;
 - (2) Does not apply to acts of destruction by your employees (including temporary employees and leased workers) or authorized representatives; but theft by your employees (including temporary employees and leased workers) or authorized representatives is not covered.
- i. Voluntary parting with any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device or false pretense.
- j. Rain, snow, ice or sleet to personal property in the open.
- k. Collapse, including any of the following conditions of property or any part of the property:
- (1) An abrupt falling down or caving in;
 - (2) Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
 - (3) Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to (1) or (2) above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, k., does not apply:

- (a) To the extent that coverage is provided under the Additional Coverage, Collapse; or

(b) To collapse caused by one or more of the following:

- (i) The "specified causes of loss";
- (ii) Breakage of building glass;
- (iii) Weight of rain that collects on a roof; or
- (iv) Weight of people or personal property.

l. Discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, l., does not apply to damage to glass caused by chemicals applied to the glass.

- m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.
3. We will not pay for loss or damage caused by or resulting from any of the following, 3.a. through 3.c. But if an excluded cause of loss that is listed in 3.a. through 3.c. results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.
- a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph 1. above to produce the loss or damage.
 - b. Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
 - a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
 - b. Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
 - c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
- (2) Business Income Coverage or Extra Expense Coverage.
- e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
- f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:
 - (1) Dampness or dryness of atmosphere or of soil supporting the vegetation;
 - (2) Changes in or extremes of temperature;
 - (3) Disease;
 - (4) Frost or hail; or
 - (5) Rain, snow, ice or sleet.
2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a. Animals, and then only if they are killed or their destruction is made necessary.
 - b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:
 - (1) Glass; or
 - (2) Containers of property held for sale.
 - c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

 - (1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or
 - (2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):
 - a. \$2,500 for furs, fur garments and garments trimmed with fur.
 - b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - c. \$2,500 for patterns, dies, molds and forms.
 - d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:
 - a. Results in discharge of any substance from an automatic fire protection system; or
 - b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:
 - a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
 - d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (1) A cause of loss listed in **2.a.** or **2.b.**;
 - (2) One or more of the "specified causes of loss";
 - (3) Breakage of building glass;
 - (4) Weight of people or personal property; or
 - (5) Weight of rain that collects on a roof.
3. This **Additional Coverage – Collapse** does **not** apply to:
 - a. A building or any part of a building that is in danger of falling down or caving in;
 - b. A part of a building that is standing, even if it has separated from another part of the building; or
 - c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
4. With respect to the following property:
 - a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

Earth Movement is added as a Covered Cause of Loss for locations described in the Earth Movement Declarations.

Earth Movement means:

1. Earthquake, including any earth sinking, rising or shifting related to such event;
2. Landslide, including earth sinking, rising or shifting related to such event;
3. Volcanic eruption, meaning the eruption, explosion or effusion of a volcano; or
4. Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased.

All Earthquake shocks or Volcanic Eruption events that occur within any 168-hour period will constitute a single Earthquake or Volcanic Eruption "Occurrence". The expiration of this policy will not reduce the 168 hour period.

B. Exclusions

In addition to the exclusions found in the Exclusions and Limitation(s) section of the Causes of Loss forms, the following will also apply:

1. The exclusion of collapse in the Causes of Loss – Special Form does not apply to collapse caused by Earthquake or Volcanic Eruption.
2. The Additional Coverage – Collapse, in the Causes of Loss - Broad Form and Causes of Loss – Special Form does not apply to the coverage provided under this endorsement. This endorsement includes coverage for collapse caused by Earthquake or Volcanic Eruption.

For the purpose of this Endorsement, Collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

Collapse does not apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
 - b. A part of a building that is standing, even if it has separated from another part of the building; or
 - c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
3. We will not pay for loss or damage to land, nor the cost to remediate or restore land. Costs for excavations, grading, backfilling or filling land due to collapse or sinking which results from Earth Movement is not covered under this endorsement.
 4. We will not pay for loss or damage caused directly or indirectly by:
 - a. Tidal wave or tsunami; or
 - b. The release of water impounded by a dam, levee, dike or flood control device;
 that ensues from an Earth Movement "occurrence".
 5. The Ordinance or Law exclusion in the Causes of Loss Coverage Form will continue to apply with respect to any loss under the Building and Personal Property Coverage Form, including any loss under this endorsement, unless Ordinance or Law coverage is added by endorsement.
 6. We will not pay for loss or damage caused by or resulting from Earth Movement that begins before the inception of this endorsement.

C. Coinsurance

The Coinsurance Condition in this policy, if any, does not apply to the coverage provided under this endorsement.

D. Additional Coverages and Coverage Extensions

1. With respect to Earth Movement coverage, the Newly Acquired or Constructed Property Coverage Extension (and any additional limit for Newly Acquired or Constructed Property under a Limit Of Insurance clause or an endorsement) is amended by adding the following:
 - a. With respect to Earth Movement Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.
 - b. With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in the coverage extension do not apply to Earth Movement Coverage. Instead, the most we will pay for loss or damage due to Earth Movement on Newly Acquired or Constructed Property is \$100,000 in any one "occurrence" and in any one policy year. This limit is a part of and does not increase the applicable Limit Of Insurance for Earth Movement.
2. With respect to any applicable Additional Coverages and Coverage Extension in the Coverage Form to which this endorsement is attached, other than those addressed in Paragraph D.1. above, amounts payable under such other provisions, as set forth therein, do not increase the Limit Of Insurance for Earth Movement.

E. Limits of Insurance**1. Per "Occurrence" Limit Of Insurance**

The most we will pay for loss or damage caused by Earth Movement in any one "occurrence" is the applicable per "occurrence" Limit Of Insurance shown in the Earth Movement Declarations regardless of the number of locations involved.

2. Annual Aggregate Limit Of Insurance

The Annual Aggregate Limit Of Insurance in the Earth Movement Declarations is the most we will pay for the total of all loss or damage that is caused by Earth Movement even if there is more than one Earth Movement loss in a 12 month policy period (starting with the beginning of the present annual policy period). If the first Earth Movement event does not exhaust the Limit Of Insurance, then the balance of that Limit is available for a subsequent Earth Movement event, otherwise covered under this Endorsement.

If a single "occurrence" of Earth Movement begins during one annual policy period and

ends during the following annual policy period, any Limit Of Insurance or Annual Aggregate applicable to that following annual policy period will not apply to that Earth Movement event.

3. Maximum Per "Occurrence" Limit Of Insurance

Regardless of the number of per "occurrence" Limits shown in the Earth Movement Declarations, the Maximum per "Occurrence" Limit Of Insurance shown in the Earth Movement Declarations is the Most we will pay in any one "Occurrence".

4. Maximum Annual Aggregate Limit Of Insurance

Regardless of the number of Annual Aggregate Limits shown in the Earth Movement Declarations, the most we will pay in any 12 month policy period is the Maximum Annual Aggregate Limit Of Insurance.

5. Ensuing Loss

In the event of covered ensuing loss (such as fire) results from the Earth Movement, the most we will pay for the total of all loss or damage caused by Earth Movement and other Covered Cause of Loss is the Limit Of Insurance applicable to such other Covered Cause of Loss. We will not pay the sum of the Fire and Earth Movement Limits of Insurance.

EXAMPLES – ENSUING LOSS

Two examples follow, using these facts: The Commercial Property Coverage Part, in these examples, includes the Causes of Loss – Basic Form (which covers fire) and this Earth Movement Coverage Endorsement. A building is damaged by Earth Movement and by Fire which is caused by the Earth Movement. The value of the damaged building is \$1,000,000. The Limit Of Insurance applicable to the building, for the Basic Causes of Loss, is \$800,000. The Limit Of Insurance for Earth Movement is \$400,000. The Earth Movement Deductible amount is \$5,000.

EXAMPLE #1

The damage due to Earth Movement is \$500,000. The damage due to Fire is \$500,000.

Payment for Earth Movement damage is \$400,000 (\$500,000 damage minus \$5,000 Earth Movement deductible = \$495,000; Limit is \$400,000). Payment for Fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the Earth Movement Limit).

Total Loss Payment is \$800,000.

EXAMPLE #2

The damage due to Earth Movement is \$800,000. The damage due to Fire is \$100,000.

Payment for Earth Movement damage is \$400,000 (\$800,000 damage minus \$5,000 Earth Movement deductible = \$795,000; Limit is \$400,000).

Payment for Fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

Note: These Examples are given only to illustrate the situation of Earth Movement and ensuing loss. Therefore, the loss payment stated for Earth Movement damage does not address the situation where another policy also covers the Earth Movement damage.

F. Deductible

1. The Provisions of Paragraph **F.2.** of this endorsement are applicable to all Coverage Forms except:
 - a. Business Income (And Extra Expense) Coverage Form;
 - b. Business Income (Without Extra Expense) Coverage Form;
 - c. Business Income And Extra Expense – Actual Loss Sustained;
 - d. Extra Expense Coverage Form
2. The Deductible for coverage provided under this endorsement is the Deductible applicable to Earth Movement as shown in the Earth Movement Declarations.
 - a. **Dollar Deductible**
Where a Dollar Deductible is shown in the Declarations, we will not pay for loss or damage in any one “occurrence” until the total amount of loss or damage exceed the Dollar deductible shown in the Earth Movement Declarations. We will then pay the amount of loss or damage in excess of the Deductible up to the Earth Movement Limit Of Insurance shown in the Earth Movement Declarations. If only Building or Personal Property suffer loss or damage, the applicable Building or Personal Property deductible will apply. If both Building and Personal Property suffer loss or damage, only the higher deductible will apply.
 - b. **Percentage Deductible**
Where a Percentage Deductible is shown in the Declarations, the Deductible is calculated separately to each building,

personal property and personal property in the open. In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage (as shown in the Earth Movement Declarations) of the Limits of Insurance applicable to the property that has sustained loss or damage. Percentage Deductibles are separately calculated and applied even if:

- (1) Two or more buildings sustain loss or damage;
- (2) Personal property at two or more buildings sustains loss or damage; or
- (3) A building and the personal property in that building sustains loss or damage.

We will then pay the amount of loss or damage in excess of the Deductible up to the “occurrence” Limit Of Insurance as shown in the Earth Movement Declarations.

3. If Earth Movement results in another Covered Cause of Loss and if both Covered Causes of Loss cause loss or damage, then only the higher deductible applies.

G. Example – Application of Percentage Deductible – For Specific or Blanket Insurance

The values, as shown in the most recent statement of Values on file with us are:

Building #1 \$500,000

Building #2 \$500,000

Business Personal Property at Building #1 \$250,000

Business Personal Property at Building #2 \$250,000

For this example, assume that the amounts of loss do not exceed the applicable Limits of Insurance (for specific insurance). Also assume that the total amount of loss does not exceed the applicable blanket Limit Of Insurance (for blanket insurance).

Building #1 and Business Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Business Personal Property).

The Deductible is 10%.

Building:

Step (1): \$500,000 x 10% = \$50,000

Step (2): \$95,000 - \$50,000 = \$45,000

Business Personal Property:

Step (1): \$250,000 x 10% = \$25,000.

The loss, \$5000, does not exceed the deductible.

The most we will pay is \$45,000. The remainder of the building loss, \$50,000 is not covered due to application of the Deductible. There is no loss payment for business personal property.

H. Business Income and Extra Expense Period of Restoration

This Paragraph H., is applicable only to the following coverage forms:

1. Business Income (And Extra Expense);
2. Business Income (Without Extra Expense);
3. Business Income And Extra Expense – Actual Loss Sustained;
4. Extra Expense Coverage Form.

The “period of restoration” definition stated in the Coverage Form, or in any endorsement amending the beginning of the “period of restoration”, applies to each Earth Movement event. A single Earth Movement is defined in Paragraph A. of this endorsement.

I. Definitions

“Occurrence” means all loss or damage that is attributable to:

- a. An act, event, cause or series of similar, related acts, events or causes involving one or more persons; or
- b. An act, event, cause or series of similar, related acts, events or causes not involving any person.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLOOD ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 BUSINESS INCOME COVERAGE FORM (AND EXTRA EXPENSE)
 BUSINESS INCOME COVERAGE FORM (WITHOUT EXTRA EXPENSE)
 BUSINESS INCOME AND EXTRA EXPENSE COVERAGE FORM ACTUAL LOSS SUSTAINED
 CAUSES OF LOSS – BASIC FORM
 CAUSES OF LOSS – BROAD FORM
 CAUSES OF LOSS – SPECIAL FORM
 EXTRA EXPENSE COVERAGE FORM

A. Additional Covered Causes of Loss

Flood is added as a Covered Cause of Loss only for locations described in the Flood Declarations:

1. Flood means a general and temporary condition of partial or complete inundation of normally dry land areas due to:
 - a. Surface water or waves, tides, tidal waves, tsunami, overflow of any body of water or their spray, all whether driven by wind or not;
 - b. The unusual or rapid accumulation of runoff of surface waters from any source;
 - c. Mudslides or mudflows which are caused by flooding defined in Paragraph **A.1.b.** above. For purpose of this Covered Cause of Loss, a mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current;
 - d. Water or waterborne material which backs up through or overflows from a sewer, drain or sump; For the purpose of this endorsement, the term drain includes a roof drain and related fixtures.
 - e. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment which is designed to remove subsurface water which is drained from the foundation area;
 - f. Water under the ground surface pressing on, or flowing or seeping through:
 - (1) Foundations, walls, floor or paved surfaces;
 - (2) Basements whether paved or not; or
 - (3) Doors, windows or other openings in any building or other structure; or

- g. The release of water impounded by a dam, levee, dike or flood control device.

All flooding in a continuous or protracted event will constitute a single flood occurrence.

B. Exclusions, Limitations and Related Provisions

1. The Exclusions and Limitations(s) section of the Causes of Loss Form apply to coverage provided under this endorsement except as provided in Paragraphs **B. 3.** and **B.4.** below.
2. Coverage described in Paragraphs **A.1.d.** and **A.1.e.** does not apply to loss or damage resulting from an insured's failure to:
 - a. Keep a sump pump or its related equipment in proper working condition; or
 - b. Perform routine maintenance or repair necessary to keep a sewer or drain free from obstruction.
3. To the extent that a part of the Water Exclusion might conflict with coverage provided under this endorsement, that part of the Water Exclusion does not apply.
4. To the extent that tsunami causes the overflow of tidal waters, the exclusion of earthquake in the Earth Movement exclusion, will not apply to coverage provided under this endorsement.
5. The Ordinance or Law exclusion in the Causes of Loss Coverage Form will continue to apply with respect to any loss under the Building and Personal Property Coverage Form, including any loss under this endorsement, unless Ordinance or Law Coverage is added by endorsement.
6. We do not cover loss or damage by Flood to personal property in the open except to the extent that such coverage, if any is specified in the Flood Declarations.
7. **Property Not Covered**, in the Coverage Form to which this endorsement is attached, is

amended and supplemented as follows with respect to Flood Coverage:

- a. Property Not Covered Includes boat houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
- b. If bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building, have been removed from Property Not Covered and added as Covered Property by separate endorsement, this Flood Coverage Endorsement does not apply to such property.
- c. The following are removed from Property Not Covered and are therefore Covered Property:
 - (1) Foundations below the lowest basement floor or below the surface of the ground if there is no basement;
 - (2) Underground Pipes, flues and drains; and
 - (3) Retaining walls whether or not part of a building.

C. Additional Coverages and Coverage Extensions

1. With respect to Flood Coverage, the Debris Removal Coverage (and any additional limit for Debris Removal under a Limit Of Insurance clause or an endorsement) is not applicable and is replaced by the following:

DEBRIS REMOVAL

- a. We will pay your expense to remove debris of Covered Property and other debris that is on described premises, when such debris is caused by or results from Flood. However, we will not pay to remove deposits of mud or earth from the grounds of the described premises.
- b. We will pay your expense to remove debris of Covered Property that has floated or been hurled off the described premises by Flood.
- c. This coverage for Debris Removal, as set forth in Paragraphs **C.1.a.** and **C.1.b.** above, does not increase the applicable Limit Of Insurance for Flood. Therefore, the most we will pay for the total of debris removal and loss or damage to Covered Property is the Limit Of Insurance for Flood that applied to the Covered Property at the affected described premises covered under this endorsement.

2. With respect to Flood Coverage, the Newly Acquired or Constructed Property Coverage Extension (and any additional limit for Newly Acquired or Constructed Property under a Limit Of Insurance clause or an endorsement) is amended by adding the following:

- a. With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.
- b. With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in the coverage extension do not apply to Flood Coverage. Instead, the most we will pay for loss or damage due to Flood on Newly Acquired or Constructed Property is \$100,000 in any one "occurrence" and in any one policy year. This limit is a part of and does not increase the applicable Limit Of Insurance for Flood.

3. With respect to any applicable Additional Coverages and Coverage Extension in the Coverage Form to which this endorsement is attached, other than those addressed in Paragraphs **C.1** and **C.2.** above, amounts payable under such other provisions, as set forth therein, do not increase the Limit Of Insurance for Flood.

D. Coinsurance

The Coinsurance Condition in this policy, if any, does not apply to the coverage provided under this endorsement.

E. Limits of Insurance

1. Per "Occurrence" Limit Of Insurance

The most we will pay for loss or damage caused by Flood in any one "occurrence" is the applicable per "occurrence" Limit Of Insurance shown in the Flood Declarations regardless of the number of locations involved.

2. Annual Aggregate Limit Of Insurance

The Annual Aggregate Limit Of Insurance for Flood shown in the Flood Declarations is the most we will pay for the total of all loss or damage that is caused by Flood even if there is more than one Flood event in a 12 month policy period (starting with the beginning of the present annual policy period). If the first Flood does not exhaust the Limit Of Insurance, then the balance of that Limit is available for a subsequent Flood event otherwise covered under this endorsement.

If a single "occurrence" of Flood begins during one annual policy period and ends during the following annual policy period, any Limit Of

Insurance or Annual Aggregate applicable to that following annual policy period will not apply to that Flood event.

3. Maximum Per "Occurrence" Limit Of Insurance

Regardless of the number of per "occurrence" Limits shown in the Flood Declarations, the Maximum per "Occurrence" Limit Of Insurance shown in the Flood Declarations is the Most we will pay in any one "Occurrence".

4. Maximum Annual Aggregate Limit Of Insurance

Regardless of the number of Annual Aggregate Limits show in the Flood Declarations, the most we will pay in any 12 month policy period is the Maximum Annual Aggregate Limit Of Insurance.

5. Ensuing Loss

In the event of covered ensuing loss for example, loss caused by Fire, Explosion or Sprinkler Leakage which results from the Flood, the most we will pay, for the total of all loss or damage caused by Flood, Fire, Explosion, and Sprinkler Leakage is the Limit Of Insurance applicable to Fire. We will not pay the sum of the Fire and Flood Limits of Insurance.

EXAMPLES – ENSUING LOSS

Two examples follow, using these facts: The Commercial Property Coverage Part, in these examples, includes the Causes of Loss – Basic Form (which covers fire) and this Flood Coverage Endorsement. A building is damaged by Flood and by Fire which is caused by the Flood. The value of the damaged building is \$1,000,000. The Limit Of Insurance applicable to the building, for the Basic Causes of Loss, is \$800,000. The Limit Of Insurance for Flood is \$400,000. The Flood Deductible amount is \$5,000.

EXAMPLE #1

The damage due to Flood is \$500,000. The damage due to Fire is \$500,000.

Payment for Flood damage is \$400,000 (\$500,000 damage minus \$5,000 Flood deductible = \$495,000; Limit is \$400,000).

Payment for Fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the Flood Limit).

Total Loss Payment is \$800,000.

EXAMPLE #2

The damage due to Flood is \$800,000. The damage due to Fire is \$100,000.

Payment for Flood damage is \$400,000 (\$800,000 damage minus \$5,000 Flood deductible = \$795,000; Limit is \$400,000).

Payment for Fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

Note: These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the Flood damage.

F. Deductible

1. The provisions of Paragraph **F.2.** of this endorsement are applicable to all Coverage Forms except:
 - a. Business Income (And Extra Expense) Coverage Form;
 - b. Business Income (Without Extra Expense) Coverage Form;
 - c. Business Income And Extra Expense – Actual Loss Sustained;
 - d. Extra Expense Coverage Form
2. The Deductible, for coverage provided under this endorsement is the Deductible applicable to Flood as shown in the Flood Declarations.

a. Dollar Deductible

Where a Dollar Deductible is shown in the Declarations, we will not pay for loss or damage in any one "occurrence" until the total amount of loss or damage exceeds the Dollar Deductible shown in the Flood Declarations. We will then pay the amount of loss or damage in excess of the Deductible up to the Flood per "Occurrence" Limit Of Insurance shown in the Flood Declarations. If only Building or Personal Property suffer loss or damage, the applicable Building or Personal Property deductible will apply. If both Building and Personal Property suffer loss or damage, only the higher deductible will apply.

b. Percentage Deductible

Where a Percentage Deductible is shown in the Declarations, the Deductible is calculated separately to each building, personal property and personal property in the open. In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage (as shown in the Flood Declarations) of the Limits of Insurance applicable to the property that has

sustained loss or damage. Percentage Deductibles are separately calculated and applied even if:

- (1) Two or more buildings sustain loss or damage;
- (2) Personal property at two or more buildings sustains loss or damage; or
- (3) A building and the personal property in that building sustains loss or damage.

We will then pay the amount of loss or damage in excess of the Deductible up to the "occurrence" Limit Of Insurance shown in the Flood Declarations.

3. If Flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause loss or damage, then only the higher deductible applies.

G. Example – Application of Percentage Deductible – For Specific or Blanket Insurance

The values, as shown in the most recent statement of Values on file with us are:

Building #1 \$500,000

Building #2 \$500,000

Business Personal Property at Building #1 \$250,000

Business Personal Property at Building #2 \$250,000

For this example, assume that the amounts of loss do not exceed the applicable Limits of Insurance (for specific insurance). Also assume that the total amount of loss does not exceed the applicable blanket Limit Of Insurance (for blanket insurance).

Building #1 and Business Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Business Personal Property).

The Deductible is 10%.

Building:

Step (1): $\$500,000 \times 10\% = \$50,000$

Step (2): $\$95,000 - \$50,000 = \$45,000$

Business Personal Property:

Step (1): $\$250,000 \times 10\% = \$25,000$.

The loss, \$5000, does not exceed the deductible.

The most we will pay is \$45,000. The remainder of the building loss, \$50,000 is not covered due to application of the Deductible. There is no loss payment for business personal property.

H. Business Income and Extra Expense Period of Restoration

This Paragraph H., is applicable only to the following coverage forms:

1. Business Income (And Extra Expense);
2. Business Income (Without Extra Expense);
3. Business Income And Extra Expense – Actual Loss Sustained;
4. Extra Expense Coverage Form.

The "period of restoration" definition stated in the Coverage Form, or in any endorsement amending the beginning of the "period of restoration", applies to each Flood event. A single Flood is defined in Paragraph A. of this endorsement.

I. Definitions

"Occurrence" means all loss or damage that is attributable to:

- a. An act, event, cause or series of similar, related acts, events or causes involving one or more persons; or
- b. An act, event, cause or series of similar, related acts, events or causes not involving any person.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

1. Additional Insured by Contract, Agreement or Permit

The following is added to **SECTION II – WHO IS AN INSURED**:

Additional Insured by Contract, Agreement or Permit

- a. Any person or organization with whom you agreed in a written contract, written agreement or permit that such person or organization to add an additional insured on your policy is an additional insured only with respect to liability for "bodily injury", "property damage", or "personal and advertising injury" caused, in whole or in part, by your acts or omissions, or the acts or omissions of those acting on your behalf, but only with respect to:

- (1) "Your work" for the additional insured(s) designated in the contract, agreement or permit;

- (2) Premises you own, rent, lease or occupy; or

- (3) Your maintenance, operation or use of equipment leased to you.

- b. The insurance afforded to such additional insured described above:

- (1) Only applies to the extent permitted by law; and

- (2) Will not be broader than the insurance which you are required by the contract, agreement or permit to provide for such additional insured.

- (3) Applies on a primary basis if that is required by the written contract, written agreement or permit.
 - (4) Will not be broader than coverage provided to any other insured.
 - (5) Does not apply if the "bodily injury", "property damage" or "personal and advertising injury" is otherwise excluded from coverage under this Coverage Part, including any endorsements thereto.
- c. This provision does not apply:
- (1) Unless the written contract or written agreement was executed or permit was issued prior to the "bodily injury", "property damage", or "personal injury and advertising injury".
 - (2) To any person or organization included as an insured by another endorsement issued by us and made part of this Coverage Part.
 - (3) To any lessor of equipment:
 - (a) After the equipment lease expires; or
 - (b) If the "bodily injury", "property damage", "personal and advertising injury" arises out of sole negligence of the lessor
 - (4) To any:
 - (a) Owners or other interests from whom land has been leased which takes place after the lease for the land expires; or
 - (b) Managers or lessors of premises if:
 - (i) The occurrence takes place after you cease to be a tenant in that premises; or
 - (ii) The "bodily injury", "property damage", "personal injury" or "advertising injury" arises out of structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor.
 - (5) To "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services.
- This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" or the offense which caused the "personal and

advertising injury" involved the rendering of or failure to render any professional services by or for you.

- d. With respect to the insurance afforded to these additional insureds, the following is added to **SECTION III – LIMITS OF INSURANCE**:

The most we will pay on behalf of the additional insured for a covered claim is the lesser of the amount of insurance:

- 1. Required by the contract, agreement or permit described in Paragraph a.; or
- 2. Available under the applicable Limits of Insurance shown in the Declarations.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

2. Additional Insured – Primary and Non-Contributory

The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 4. Other insurance:

Additional Insured – Primary and Non-Contributory

If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II – WHO IS AN INSURED**, is primary and non-contributory, the following applies:

If other valid and collectible insurance is available to the Additional Insured for a loss covered under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary to other insurance that is available to the Additional Insured which covers the

Additional Insured as a Named Insured. We will not seek contribution from any other insurance available to the Additional Insured except:

- (1) For the sole negligence of the Additional Insured;
- (2) When the Additional Insured is an Additional Insured under another primary liability policy; or
- (3) when b. below applies.

If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

(1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(b) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;

(c) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner; or

(d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY.**

(2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other Insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each

insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

e. Employer's Liability

"Bodily injury" to:

This exclusion does not apply to liability assumed by the insured under an "insured contract".

This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION III – LIMITS OF INSURANCE

- 1.** The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a.** Insureds;

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.
5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage **A**; and
 - b. Medical expenses under Coverage **C** because of all "bodily injury" and "property damage" arising out of any one "occurrence".
6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.
7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c. You and any other involved insured must:
 - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.
- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

- b.** Does not include "bodily injury" or "property damage" arising out of:

(1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of any act, error or omission, of the insured, or of any other person for whose acts the insured is legally liable, to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages to which this insurance does not apply. A "claim" received and recorded by the insured within 60 days after the end of the policy period will be considered to have been received within the policy period, if no subsequent policy is available to cover the claim.

- d. All "claims" for damages made by an "employee" because of any act, error or omission, or a series of related acts, errors or omissions, including damages claimed by such "employee's" dependents and beneficiaries, will be deemed to have been made at the time the first of those "claims" is made against any insured.

2. Paragraphs **1.b.** and **2.** of the Supplementary Payments provision do not apply.

C. For the purposes of the coverage provided by this endorsement, Paragraphs **2.** and **4.** of **Section II – Who Is An Insured** are replaced by the following:

2. Each of the following is also an insured:

- D. For the purposes of the coverage provided by this endorsement, **Section III - Limits Of Insurance** is replaced by the following:

1. Limits Of Insurance

- a. The Limits of Insurance shown in the Schedule and the rules below fix the most we will pay regardless of the number of:
 - (1) Insureds;
 - (2) "Claims" made or "suits" brought;
 - (3) Persons or organizations making "claims" or bringing "suits";
 - (4) Acts, errors or omissions; or
 - (5) Benefits included in your "employee benefit program".
- b. The Aggregate Limit is the most we will pay for all damages because of acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".
- c. Subject to the Aggregate Limit, the Each Employee Limit is the most we will pay for all damages sustained by any one "employee", including damages sustained by such "employee's" dependents and beneficiaries, as a result of:
 - (1) An act, error or omission; or
 - (2) A series of related acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".

However, the amount paid under this endorsement shall not exceed, and will be subject to, the limits and restrictions that apply to the payment of benefits in any plan included in the "employee benefit program".

The Limits of Insurance of this endorsement apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations of the policy to which this endorsement is attached, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

2. Deductible

- a. Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of the deductible amount stated in the Schedule as applicable to Each Employee. The limits of insurance shall not be reduced by the amount of this deductible.
- b. The deductible amount stated in the Schedule applies to all damages sustained by any one "employee", including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.
- c. The terms of this insurance, including those with respect to:
 - (1) Our right and duty to defend any "suits" seeking those damages; and
 - (2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, or "claim"

apply irrespective of the application of the deductible amount.
- d. We may pay any part or all of the deductible amount to effect settlement of any "claim" or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.
- E. For the purposes of the coverage provided by this endorsement, Conditions 2. and 4. of **Section IV - Commercial General Liability Conditions** are replaced by the following:
 - 2. **Duties In The Event Of An Act, Error Or Omission, Or "Claim" Or "Suit"**
 - a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a "claim". To the extent possible, notice should include:
 - (1) What the act, error or omission was and when it occurred; and

- (2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

b. If a "claim" is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the "claim" or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the "claim" or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

- (1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is effective prior to the beginning of the policy period shown in the Schedule of this insurance and that applies to an act, error or omission on other than a claims-made basis, if:
- (a) No Retroactive Date is shown in the Schedule of this insurance; or
- (b) The other insurance has a policy period which continues after the Retroactive Date shown in the Schedule of this insurance.
- (2) When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.
- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of the total amount that all such other insurance would pay for the loss in absence of this insurance; and the total of all deductible and self-insured amounts under all that other insurance.
- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Schedule of this endorsement.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance to the total applicable limits of insurance of all insurers.

- F. For the purposes of the coverage provided by this endorsement, the following Extended Reporting Period provisions are added, or, if this endorsement is attached to a claims-made Coverage Part, replaces any similar Section in that Coverage Part:

EXTENDED REPORTING PERIOD

1. You will have the right to purchase an Extended Reporting Period, as described below, if:
 - a. This endorsement is canceled or not renewed; or
 - b. We renew or replace this endorsement with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Schedule of this endorsement; or
 - (2) Does not apply to an act, error or omission on a claims-made basis.
2. The Extended Reporting Period does not extend the policy period or change the scope of coverage provided. It applies only to "claims" for acts, errors or omissions that were first committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Schedule. Once in effect, the Extended Reporting Period may not be canceled.
3. An Extended Reporting Period of five years is available, but only by an endorsement and for an extra charge.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The "employee benefit programs" insured;
- b. Previous types and amounts of insurance;
- c. Limits of insurance available under this endorsement for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 100% of the annual premium for this endorsement.

The Extended Reporting Period endorsement applicable to this coverage shall set forth the terms, not inconsistent with this Section, applicable to the Extended Reporting Period, including a provision to the effect that the insurance afforded for "claims" first received during such period is excess over any other valid and collectible insurance available under policies in force after the Extended Reporting Period starts.

4. If the Extended Reporting Period is in effect, we will provide an extended reporting period aggregate limit of insurance described below, but only for claims first received and recorded during the Extended Reporting Period.

The extended reporting period aggregate limit of insurance will be equal to the dollar amount shown in the Schedule of this endorsement under Limits of Insurance.

Paragraph **D.1.b.** of this endorsement will be amended accordingly. The Each Employee Limit shown in the Schedule will then continue to apply as set forth in Paragraph **D.1.c.**

- G. For the purposes of the coverage provided by this endorsement, the following definitions are added to the **Definitions** Section:

1. "Administration" means:

- a. Providing information to "employees", including their dependents and beneficiaries, with respect to eligibility for or scope of "employee benefit programs";

However, this provision does not affect the "insurer's" right to collect additional premium or exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws and regulations.

B. Spouses, Domestic Partners, Estates and Legal Representatives

Solely with respect to the **Insuring Agreements A. Privacy and Security Liability** and **B. Cyber Media Liability**, coverage shall extend to:

1. A lawful spouse or domestic partner, as defined under any applicable federal, state or local law, of an "insured individual" solely by reason of such person's status as spouse or domestic partner or such person's ownership interest in property which the claimant seeks as recovery from an "insured individual";
2. The estate, heirs, legal representatives or assigns of an "insured individual" if such "insured individual" is deceased, legally incompetent, insolvent or bankrupt.

Coverage shall not apply to "loss" or "claims" for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty by an "insured individual's" spouse, domestic partner, heir, estate, legal representative or assigns.

C. Legal Proceedings Against Us

1. No individual or entity has a right under this Coverage Part to join the "insurer" as a party or otherwise bring the "insurer" into a suit asking for damages from an "insured" or to sue the "insurer" on this Coverage Part unless all of its terms have been fully complied with.
2. An individual or entity may sue the "insurer" to recover on an agreed settlement or on a final judgment against an "insured" but the "insurer" will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable Limit of Liability. An agreed

settlement means a settlement and release of liability signed by the "insurer", the "insured" and the claimant or the claimant's legal representative.

D. Change In Control or Exposure

1. Acquisition of the "Named Insured"

If during the "policy period":

- a. Another individual, entity or group of individuals or entities acquires more than fifty percent (50%) of the assets of the "named insured"; or
- b. Another individual, entity or group of individuals or entities acquires more than fifty percent (50%) of the outstanding securities representing the right to vote for the election of directors, trustees, members of the Board of Managers or management committee members of the "named insured"; or
- c. The "named insured" consolidates or merges with another entity and the "named insured" is not the surviving entity; or
- d. The "named insured" emerges from bankruptcy on an effective date stated in the plan of reorganization; then the coverage provided under this Coverage Part shall continue until the termination or expiration of the "policy period", but only for "claims" for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty which occurs prior to the transaction date of such event.

The "named insured" shall notify the "insurer" of any such event described in paragraphs 1.a. thru 1.d. above as soon as practicable but no later than sixty (60) days after the effective date of the transaction, and provide such additional information as the "insurer" requires.

2. Cessation of "Subsidiaries"

If before or during the "policy period" an "insured entity" ceases to be a "subsidiary" then coverage for such "subsidiary" and its "insureds" shall continue under all Insuring Agreements until termination or expiration of this "policy period" but only for "claims" for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty that takes place prior to the date such entity ceased to be a "subsidiary".

3. Acquisition of Another Organization

If before or during the "policy period" the "insured entity" acquires the voting rights of another entity such that the acquired entity

becomes a "subsidiary", then coverage for such "subsidiary" and its "insureds" shall be provided but only for "claims" for any "Privacy Breach", "Security Breach" or "Cyber Media Breach" that takes place after the date such entity became a "subsidiary".

If during the "policy period" the "insured entity" acquires another entity and at the time of such acquisition the entity becomes a "subsidiary" (or would have but for its absorption into the "insured") and the total revenue of the acquired entity exceeded twenty five percent (25%) of the "insured entity" as of the beginning of the "policy period", then the "named insured" shall agree to any amendments to the terms of this Coverage Part, including, but not limited to, any additional premium the "insurer" may require.

E. Subrogation

If the "insured" has rights to recover all or part of any payment the "insurer" has made under this Coverage Part, those rights are transferred to the "insurer". The "insured" must do nothing after "loss" to impair them. At the request of the "insurer", the "insured" will bring suit or transfer those rights to the "insurer" and help the "insurer" enforce them.

F. Other Insurance

If other valid and collectible insurance (other than a Policy or Coverage Part issued specifically as excess of this Coverage Part) is available to the "insured" for "loss" covered under this Coverage Part, then the insurance provided by this Coverage Part shall be excess of such other insurance regardless of whether or not such insurance is primary, contributory, excess, contingent or on any other basis.

When this insurance is excess, the "insurer" will have no duty to investigate or defend any "claim" if any other insurer has a duty to defend the "insured" against that "claim". If no other insurer defends, the "insurer" will undertake to do so, but the "insurer" will be entitled to the "insured's" rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the "loss", if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the "loss" in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

G. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the "loss" remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

H. Territory

Coverage applies anywhere in the world, provided that no trade or economic sanction, embargo, insurance or other laws or regulations prohibit the "insurer" from covering the "loss". However, any "claim" made must be brought and held against the "insured" in the United States of America, its territories or possessions, Puerto Rico or Canada.

I. Cancellation And Non-Renewal

With regard to the cancellation and non-renewal of this policy, the provisions outlined in the Commercial General Liability Coverage Part and the Common Policy Conditions or the Businessowners Coverage Part, whichever are included in the policy, shall apply and will automatically include the non-renewal or cancellation of this coverage form. You agree that no further notice regarding termination of this Coverage Form will be required.

For the purposes of the Cancellation and Nonrenewal provisions, the words "you" and "your" refer to the "Named Insured" shown in the Declarations, and any other person or organization qualifying as a "Named Insured" under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

J. Bankruptcy

Bankruptcy of an "insured" shall not relieve the "insurer" of its obligations under this Coverage Part.

K. Role of Named "Insured"

By accepting this Coverage Part, the "named insured" agrees that it is authorized to, and will act on behalf of all "insureds" with respect to any rights provided under this Coverage Part and each "insured" authorizes the "named insured" to act on its behalf with respect to all such matters.

L. Titles and Headings

The titles and headings in this Coverage Part are solely for convenience and form no part of the terms and conditions of coverage.

M. Conformance to Law and Trade Sanctions

Coverage under this Coverage Part does not apply to the extent trade, economic sanction, insurance or other laws or regulations prohibit the "insurer" from providing insurance. The terms of this Coverage Part which are in conflict with the statutes of the jurisdiction in which this Coverage Part is issued are amended to conform to those statutes.

N. Two or More Coverage Parts, Forms, Endorsements or Policies Issued By The "Insurer"

It is the "insurer's" stated intent that the various coverage parts, forms, endorsements or policies issued to the "named insured" by the "insurer" or any company affiliated with the "insurer"; do not provide any duplication or overlap of coverage for the same "claim" or "loss". If this coverage part and any other coverage part, form, endorsement or policy issued to the "named insured" by the "insurer", or any company affiliated with the "insurer", apply to the same "claim" or "loss"; the maximum Limit of Liability under all such coverage parts, forms, endorsements or policies combined shall not exceed the highest applicable Limit of Liability under any one coverage part, form, endorsement or policy.

This condition does not apply to any Excess or Umbrella Policy issued by the "insurer" specifically to apply as excess insurance over this policy or Coverage Part.

O. Due Diligence

The "named insured" agrees to use due diligence to prevent and mitigate "loss" covered under this Coverage Part. This includes, but is not limited to, complying with reasonable and industry-accepted protocols for providing and maintaining the following:

1. Physical security for the "named insured's" premises, "computer" "systems" and hard copy files;
2. "Computer" and Internet security;
3. Periodic backups of "computer" "data";
4. Protection, including but not limited to, encryption of "data", for transactions such as processing credit card, debit card and check payments; and
5. Disposal of files containing "private personal data", including but not limited to shredding hard copy files and destroying physical "media" used to store electronic "data".

SECTION VIII – EXTENDED REPORTING PERIODS

A. The “insurer” will provide one or more Extended Reporting Periods, as described below, if:

1. This Coverage Part is canceled or not renewed; or
2. The “insurer” renews or replaces this Coverage Part with insurance that:
 - a. Has a Retroactive Date later than the date shown in **Item 4.** of the Cyber Declarations; or
 - b. Does not apply to “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” on a claims-made basis.

The “named insured” agrees that in the event of a “claim” made during an Extended Reporting Period, they will do nothing that could prejudice the position of the “insurer” or any potential or actual rights of recovery, subrogation, or contribution.

B. Extended Reporting Periods do not extend the “policy period” or change the scope of the coverage provided. They apply only to “claims” because of “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date.

Once in effect, Extended Reporting Periods may not be canceled.

C. If the “insurer” cancels or does not renew this Coverage Part for any reason other than nonpayment of premium, an Automatic Extended Reporting Period will be provided without an additional premium. This period starts with the end of the “policy period” and lasts for 60 days with respect to “claims” because of “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date, and not previously reported to the “insurer”.

1. This Automatic Extended Reporting Period does not apply to “claims” that are covered under any subsequent insurance the “named insured” purchases, or that would be covered but for exhaustion of the amount of insurance applicable to such “claims”.
2. The Automatic Extended Reporting Period does not reinstate or increase the Limits of Insurance.

D. If this Coverage Part is cancelled or not renewed, the “named insured” shall have the right, upon payment of an additional premium, to an Optional Extended Reporting Period. This period starts with the end of the “policy period” with respect to “claims” because of “loss” arising out of a “Privacy

Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date, and not previously reported to the “insurer”.

1. This Optional Extended Reporting Period does not apply to “claims” that are covered under any subsequent insurance the “named insured” purchases, or that would be covered but for exhaustion of the amount of insurance applicable to such “claims”.
2. The Optional Extended Reporting Period does not reinstate or increase the Limits of Insurance.
3. The “named insured” must give the “insurer” a written request for the Optional Extended Reporting Period endorsement within 60 days following the date of cancellation or nonrenewal. The Optional Extended Reporting Period will not go into effect unless the “named insured” pays the additional premium promptly when due. If the cancellation or nonrenewal is for nonpayment of premium, this Optional Extended Reporting Period will not be provided unless any earned premium due is paid within 60 days after the effective date of such cancellation or expiration.
4. The available Optional Extended Reporting Periods and associated additional premiums are displayed in the table below.

Optional Reporting Period	Percent of Annual Premium
One Year	100%
Two Years	150%
Three Years	200%

E. In the event similar insurance is in force covering “claims” first made during Extended Reporting Period, coverage provided by this Coverage Part shall be excess over any part of any other valid and collectible insurance available to the “insured”, whether primary, excess, contingent or on any other basis, whose “policy period” begins or continues after this “policy period” ends.

THIS NOTICE DOES NOT GRANT COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF COVERAGE UNDER THE POLICY. IF THERE IS A CONFLICT BETWEEN THIS NOTICE AND THE POLICY, THE PROVISIONS OF THE POLICY SHALL APPLY.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

Schedule

Disclosure of Premium:	
Total Terrorism Premium	\$ 1184
Fire Following Premium	\$ 678
Other than Fire Following Premium	\$ 506

Disclosure of Terrorism Coverage Available

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from "acts of terrorism" defined in Section 102(1) of the Act as follows:

Any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

The premium charged for this coverage is provided in the Schedule above and does not include any charges for the portion of loss that may be covered by the Federal Government as described below.

Your policy may contain other exclusions which could affect your coverage, such as an exclusion for Nuclear Events or Pollution. **Please read your policy carefully.**

Note for Commercial Property or Commercial Inland Marine Policyholders in Standard Fire States:

In your state, a terrorism exclusion makes an exception for (and therefore provides coverage for) fire losses resulting from an act of terrorism. If you reject the offer of terrorism coverage, therefore, that rejection does not apply to fire losses resulting from an act of terrorism. Coverage for such fire losses will be provided in your policy. The additional premium just for such fire coverage is shown in the Schedule above.

Disclosure of Federal Participation in Payment of Terrorism Losses

The United States government through the Department of the Treasury may pay a share of terrorism losses insured under the federal program under a formula set forth in the Act. Under this formula, the United States government generally reimburses the following percentage of covered terrorism loss which exceeds the statutorily established deductible paid by the insurance company providing the coverage: 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020.

Cap on Insurer Participation in Payment of Terrorism Losses

The Act contains a \$100 billion cap that limits the reimbursement by the United States government as well as insurers' liability for losses resulting from certified acts of terrorism. If the aggregate of insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Act, we will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Rejection of Terrorism Insurance Coverage

☐ I decline to purchase terrorism coverage for certified acts of terrorism. I understand that I will have no coverage for losses resulting from certified acts of terrorism.

B. Emergency Event Business Income and Extra Expense – Optional Coverage

For the purpose of coverage under this endorsement only, when the Business Income (and Extra Expense) Coverage Form CP 00 30, or the Business Income (and Extra Expense) Coverage Form – Actual Loss Sustained 411-0581 is made a part of this policy, the following replaces all provisions of the Business Income (and Extra Expense) Coverage Form CP 00 30 or the Business Income (and Extra Expense) Coverage Form – Actual Loss Sustained 411-0581.

1. "Emergency Event Business Income" and Extended "Emergency Event Business Income" Coverage

a. "Emergency Event Business Income"

Subject to the Waiting Period shown in the Schedule of this endorsement, we will pay the actual loss of "emergency event business income" you sustain due to the necessary "suspension" of your "operations" during the "emergency event period of restoration". The "suspension" must be caused by or result from a "covered emergency" at your "covered location".

b. Extended "Emergency Event Business Income"

If the necessary "suspension" of your "operations" caused by or resulting from a "covered emergency" produces an "emergency event business income" loss payable under this endorsement, we will also pay the actual loss of "emergency event business income" you incur during the period that:

- (1) Begins on the date "operations" are resumed, or the date the "covered location" can be re-occupied by a tenant; and
- (2) Ends on the earlier of:
 - (a) The date you could reasonably restore your "operations" to a level which would generate the business income that would have existed had no "covered emergency" occurred; or
 - (b) The date you could reasonably have the "covered location" re-occupied by a tenant to a level that would generate the rental income which would have existed

if the "covered emergency" had not occurred; or

- (c) Thirty (30) consecutive days after the date determined in b. (1) above.

c. Additional Conditions and Limitations – "Emergency Event Business Income" and Extended "Emergency Event Business Income"

- (1) When alternative locations, whether or not owned by you, could have been used to mitigate any "Emergency Event Business Income" loss or Extended "Emergency Event Business Income" loss but were not, we will not pay more than what the calculable loss would have been had these other locations been used to mitigate the loss.
- (2) In the event that your coverage for loss of "Emergency Event Business Income" ends because it extends beyond the sixty (60) consecutive days provided after the "covered emergency", your coverage for Extended "Emergency Event Business Income" loss will commence only when and if you actually resume "operations" (or tenancy is re-established). When "operations" do not resume upon expiration of the sixty (60) consecutive day period, an interruption in your coverage for Business Income will occur between:
 - (a) The end of your "Emergency Event Business Income" coverage; and
 - (b) The start of your Extended "Emergency Event Business Income" coverage.
- (3) "Emergency Event Business Income" and Extended "Emergency Event Business Income" do not apply to loss of Business Income or loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the "covered emergency" in the area where the "covered locations" are located.

d. Loss Determination - Business Income and Extended Business Income

The amount of "emergency event business income" loss will be determined based on:

(1) The Net Income of the business at the "covered location" before the "covered emergency" occurred;

(2) The likely Net Income of the business at the "covered location" if no "covered emergency" occurred, but not including:

(a) Net Income earned due to increased sales or similar activity at other "covered locations" caused by the disruption of "operations" at the "covered location" where the "covered emergency" occurred; or

(b) Net Income that would have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the "covered emergency" on customers or other businesses; or

(c) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the "covered emergency"; and

(3) Other relevant sources of information, including but not limited to:

(a) Your financial records and account procedures;

(b) Bills, invoices and other vouchers; and

If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

C. "Post Emergency Event Expense"

1. We will pay an "invitee's" "post emergency event expense" for sixty (60) consecutive days after the "covered emergency", subject to the Post Emergency Event – Per Person Limit of Insurance shown in the Schedule above.

2. Coverage is extended only to those "invitees" present at the affected "covered location" when the "covered emergency" occurred and whose treatment or expense arises directly from the trauma suffered from the "covered emergency".

If you fail to cooperate, we will not be obliged under this contract for any services and expenses that cannot be provided due to your failure to cooperate.

18. Appraisal

If we and you disagree on the amount of net income, operating expense or loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the net income, operating expense and loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

A. COVERAGE

The following is added as an Additional Coverage to the Causes of Loss – Basic Form, Broad Form and Special Form:

Additional Coverage – Equipment Breakdown

Service Interruption** below and any Dependent Properties coverage provided by this coverage part, coverage will apply only to the direct result of an “accident” and will not apply to the direct result of “electronic circuitry impairment”. 1. The following exclusions are modified:

- a. If the Causes of Loss – Basic Form or Causes of Loss – Broad Form apply, the following is added to **Exclusion B.2.:**
Depletion, deterioration, corrosion, erosion, wear and tear, or other gradually developing conditions. However, if an "accident" or "electronic circuitry impairment" results, we will pay for the resulting loss, damage or expense caused by that "accident" or "electronic circuitry impairment".

- b. If the Causes of Loss – Special Form applies, with respect to this endorsement only, the last paragraph of **Exclusion B.2.d.** is replaced by the following:

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in an “accident” or “electronic circuitry impairment”, we will pay for the loss, damage or expense caused by that “accident” or “electronic circuitry impairment”.

2. The following exclusions are added to the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Causes Of Loss – Basic Form, the Causes Of Loss – Broad Form, and the Causes Of Loss – Special Form:

- a. We will not pay for loss, damage or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an “accident” or “electronic circuitry impairment”:

However, if electrical “covered equipment” requires drying out because of the above, we will pay for the direct expenses of such drying out subject to the applicable Limit of Insurance and deductible for Building or Business Personal Property, whichever applies; or

- (6) Vandalism.

- b. Coverage under this endorsement does not apply to an “accident” or “electronic circuitry impairment” caused by or resulting from:

- (1) Lightning;
- (2) Windstorm or hail. However this exclusion does not apply when:

- (a) “Covered equipment” located within a building or structure suffers an “accident” or “electronic circuitry impairment” that results from wind-blown rain, snow, sand or dust; and

- (b) The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow or dust entered.

- (3) Smoke; aircraft or vehicles; riot or civil commotion; sprinkler leakage; elevator collision;

Fungus, Wet Rot, Dry Rot and Bacteria** coverage we will not pay for loss, damage or expense caused directly or indirectly by the following, whether or not caused by or resulting from an “accident” or “electronic circuitry impairment”: Any “fungus”, wet rot, dry rot or bacteria, including any presence, growth, proliferation, spread or any activity of “fungus”, wet rot, dry rot or bacteria. This includes, but is not limited to, costs arising from clean up, removal, or abatement of such “fungus”, wet rot, dry rot or bacteria. However, this exclusion does not apply to spoilage of personal property that is “perishable goods”, to the extent that such spoilage is covered under Spoilage coverage.

- e. Except as specifically provided under **A.2.h. Scientific Animals** coverage, we

will not pay for any loss or damage to animals.

3. Exclusions 2.b.(1), 2.b.(2), 2.b.(3), and 2.b.(4) above shall not apply if:

- a. The excluded cause of loss occurs away from any covered location and causes an electrical surge or other electrical disturbance;
- b. Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and
- c. The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.

4. Any cause of loss set forth in Exclusion 2.b.(4) above that is not a Covered Cause of Loss in this coverage part shall be excluded only as respects Service Interruption coverage.

C. DEFINITIONS

For the purpose of this endorsement only, the following definitions are added:

1. "Accident"

- a. "Accident" means a fortuitous event that causes direct physical damage to "covered equipment". The event must be one of the following:

- (1) Mechanical breakdown, including rupture or bursting caused by centrifugal force;
- (2) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
- (3) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
- (4) Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
- (5) Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

- b. None of the following is an "accident":

- (1) Defect, programming error, programming limitation, computer virus, malicious code, loss of "data",

loss of access, loss of use, loss of functionality or other condition within or involving "data" or "media" of any kind; or

- (2) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by resetting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident".

2. "Boilers and vessels" means:

- a. Any boiler, including attached steam, condensate and feedwater piping; and
- b. Any fired or unfired pressure vessel subject to vacuum or internal pressure other than the static pressure of its contents.

This term does not appear elsewhere in this endorsement, but may appear in the "schedule".

- 3. "Cloud computing services" means** professional, on-demand, self-service data storage or data processing services provided through the internet or over telecommunications lines. This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. "Cloud computing services" include private clouds if such services are owned and operated by a third party.

4. "Covered equipment"

- a. "Covered equipment" means, unless otherwise specified in the "schedule", Covered Property:

- (1) That generates, transmits or utilizes energy; or
- (2) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

"Covered equipment" may utilize conventional design and technology or new or newly commercialized design and technology.

- b. None of the following is "covered equipment":

- (1) Structure, foundation, cabinet or compartment;
- (2) Insulating or refractory material;

- (3) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
 - (4) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
 - (5) "Vehicle" or any equipment mounted on a "vehicle";
 - (6) Satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
 - (7) Dragline, excavation or construction equipment; or
 - (8) Equipment manufactured by you for sale.
5. "Data" means information or instructions stored in digital code capable of being processed by machinery.
6. "Electronic circuitry" means microelectronic components, including but not limited to circuit boards, integrated circuits, computer chips and disk drives.
7. "Electronic circuitry impairment"
- a. "Electronic circuitry impairment" means a fortuitous event involving "electronic circuitry" within "covered equipment" that causes the "covered equipment" to suddenly lose its ability to function as it had been functioning immediately before such event. This definition is subject to the conditions specified in **b.**, **c.** and **d.** below.
 - b. We shall determine that the reasonable and appropriate remedy to restore such "covered equipment's" ability to function is the replacement of one or more "electronic circuitry" components of the "covered equipment".
 - c. The "covered equipment" must be owned or leased by you, or operated under your control.
 - d. None of the following is "electronic circuitry impairment":
 - (1) Any condition that can be reasonably remedied by:
 - (a) Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;
 - (b) Rebooting, reloading or updating software or firmware; or
 - (c) Providing necessary power or supply.
 - (2) Any condition caused by or related to:
 - (a) Incompatibility of the "covered equipment" with any software or equipment installed, introduced or networked within the prior 30 days;
 - (b) Insufficient size, capability or capacity of the "covered equipment"; or
 - (c) Exposure to adverse environmental conditions, including but not limited to change in temperature or humidity, unless such conditions result in an observable loss of functionality. Loss of warranty shall not be considered an observable loss of functionality.
8. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.
9. "Media" means material on which "data" is recorded, such as solid state drives, hard disks, optical disks, flash drives, magnetic tapes or floppy disks.
10. "One equipment breakdown" means: If an initial "accident" or "electronic circuitry impairment" causes other "accidents" or "electronic circuitry impairments", all will be considered "one equipment breakdown". All "accidents" or "electronic circuitry impairments" that are the result of the same "accident" or "electronic circuitry impairment" will be considered "one equipment breakdown".
11. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
12. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus. However, "production machinery" does not mean any boiler, or fired or unfired pressure vessel.
- This term does not appear elsewhere in this endorsement, but may appear in the "schedule".
13. "Schedule" means the Equipment Breakdown Coverage Schedule.

14. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle".

D. DEDUCTIBLE

The Building and Personal Property Coverage Form is modified as follows:

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in the "schedule". If a separate Equipment Breakdown deductible is shown, the following applies.

Only in regards to Equipment Breakdown Coverage, provision **D. DEDUCTIBLE** in the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Causes Of Loss – Basic Form, the Causes Of Loss – Broad Form, and the Causes Of Loss – Special Form: is replaced by the following:

1. Deductibles for Each Coverage

- a. Unless the "schedule" indicates that your deductible is combined for all coverages, multiple deductibles may apply to any "one equipment breakdown".
- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
- c. If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".
- b. Unless more specifically indicated in the "schedule":
 - (1) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss; and
 - (2) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.

3. Application of Deductibles

a. Dollar Deductibles

We will not pay for loss, damage or expense resulting from any "one equipment breakdown" until the amount of loss, damage or expense exceeds the applicable deductible shown in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

b. Time Deductible

If a time deductible is shown in the "schedule", we will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident" or "electronic circuitry impairment". If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.

c. Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as

determined above. The result shall be used as the applicable deductible.

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

E. CONDITIONS

1. The following conditions are added to the Conditions in the Building and Personal Property Coverage Form, the Condominium Association Coverage Form, the Condominium Commercial Unit-Owners Coverage Form, the Commercial Property Conditions and the Common Policy Conditions:

a. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by mailing or delivering a written notice of suspension to:

- (1) Your last known address; or
- (2) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

c. Coinsurance

If a coinsurance percentage is shown in the "schedule" for specified coverages, the following condition applies.

We will not pay for the full amount of your loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, we will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. We will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most we will pay. We will not pay for the remainder of the loss. Coinsurance applies separately to each insured location.

2. For the purpose of this endorsement only, **E. Loss Conditions, 7. Valuation** in the Building and Personal Property Coverage Form is replaced by the following:

7. Valuation

We will determine the value of Covered Property as follows:

- a. Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:

- (1) The cost to repair the damaged property;
- (2) The cost to replace the damaged property on the same site; or
- (3) The amount you actually spend that is necessary to repair or replace the damaged property.

- b. Except as described in **c.** below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

c. Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with

like kind and quality. This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

d. The following property will be valued on an Actual Cash Value basis:

- (1) Any property that does not currently serve a useful or necessary function for you;
- (2) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and
- (3) Any Covered Property for which Actual Cash Value coverage is specified in a "schedule", Actual Cash Value includes deductions for depreciation.

e. If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:

- (1) The property was manufactured by you;

(2) The sales price of the property is less than the replacement cost of the property; or

(3) You are unable to replace the property before its anticipated sale.

f. Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:

- (1) For mass-produced and commercially available software, at the replacement cost.
- (2) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

The most we will pay for loss, damage or expense under this endorsement arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations unless otherwise shown in the "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.

ALL OTHER TERMS, CONDITIONS, AND EXCLUSIONS REMAIN UNCHANGED.

BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:

- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
 - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
 - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

- (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (e) Remove deposits of mud or earth from the grounds of the described premises;
 - (f) Extract "pollutants" from land or water; or
 - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1)** While it is being moved or while temporarily stored at another location; and
- (2)** Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1)** Assumed by contract or agreement prior to loss; or
- (2)** Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.

- (5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
 - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
 - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250
<hr/>
\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

$$\$59,850 + \$80,000 = \$139,850$$

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.
- b.** We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a.** In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b.** The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c.** We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d.** We will not pay you more than your financial interest in the Covered Property.
- e.** We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g.** We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

- h.** A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

- (1)** As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:
- (a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b)** When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i)** Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii)** Used by the building owner to conduct customary operations.

- (2)** Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1)** We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:
- (a)** Vandalism;
- (b)** Sprinkler leakage, unless you have protected the system against freezing;
- (c)** Building glass breakage;
- (d)** Water damage;
- (e)** Theft; or
- (f)** Attempted theft.
- (2)** With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a.** At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.
- b.** If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
 - (1) Actual cash value of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When:	The value of the property is:	
	Building at Location 1:	\$ 75,000
	Building at Location 2:	\$ 100,000
	Personal Property at Location 2:	<u>\$ 75,000</u>
		\$ 250,000
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
	The Deductible is:	\$ 1,000
	The amount of loss is:	
	Building at Location 2:	\$ 30,000
	Personal Property at Location 2:	<u>\$ 20,000</u>
		\$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- The term mortgageholder includes trustee.
- We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F. Definitions.

A. Coverage

1. Business Income

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1) Business Income Including "Rental Value".
- (2) Business Income Other Than "Rental Value".
- (3) "Rental Value".

If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

- a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
- d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
 - (2) When your Civil Authority Coverage for Business Income ends;
- whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income**(1) Business Income Other Than "Rental Value"**

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

- (1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph A.4.d. therein.
- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.
- 6. Coverage Extension**
- If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:
- Newly Acquired Locations**
- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
 - b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location, unless a higher limit is shown in the Declarations.
 - c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;
2. Civil Authority;
3. Extra Expense; or
4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

3. Loss Determination

- a. The amount of Business Income loss will be determined based on:
 - (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices and other vouchers; and
 - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
 - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
 - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

D. Additional Condition**COINSURANCE**

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

- 1. The Coinsurance percentage shown for Business Income in the Declarations; times
- 2. The sum of:
 - a. The Net Income (Net Profit or Loss before income taxes), and
 - b. Operating expenses, including payroll expenses,
 that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

- Step (1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
- Step (2):** Divide the Limit of Insurance for the described premises by the figure determined in **Step (1)**; and
- Step (3):** Multiply the total amount of loss by the figure determined in **Step (2)**.

We will pay the amount determined in **Step (3)** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight – outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw stock and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);
- (11) All payroll expenses or the amount of payroll expense excluded (if Form **CP 15 10** is attached); and
- (12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000

The Coinsurance percentage is: 50%

The Limit of Insurance is: \$ 150,000

The amount of loss is: \$ 80,000

Step (1): $\$400,000 \times 50\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$150,000 \div \$200,000 = .75$

Step (3): $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example 2 (Adequate Insurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000

The Coinsurance percentage is: 50%

The Limit of Insurance is: \$ 200,000

The amount of loss is: \$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$400,000 \times 50\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:

- (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
- (2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example

When: The Limit of Insurance is: \$ 120,000
 The fraction shown in the Declarations for this Optional Coverage is: 1/4
 The most we will pay for loss in each period of 30 consecutive days is: \$ 30,000
 (\$120,000 x 1/4 = \$30,000)
 If, in this example, the actual amount of loss is:

Days 1–30:	\$ 40,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	<hr/>
	\$ 90,000

We will pay:

Days 1–30:	\$ 30,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	<hr/>
	\$ 80,000

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:
 - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
 - (a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

- (a) The Coinsurance percentage shown in the Declarations; multiplied by
- (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

- (1) 12 months after the effective date of this Optional Coverage; or
- (2) The expiration date of this policy; whichever occurs first.

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

- (1) Within 12 months of the effective date of this Optional Coverage; or
- (2) When you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

- (1) The Business Income Limit of Insurance; divided by
- (2) The Agreed Value.

Example

When: The Limit of Insurance is: \$ 100,000
 The Agreed Value is: \$ 200,000
 The amount of loss is: \$ 80,000

Step (1): $\$100,000 \div \$200,000 = .50$

Step (2): $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph A.5.c., **Extended Business Income**, the number 60 in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

b. Earth Movement

- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

- (4) Settling, cracking, shrinking or expansion;

- (5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

- (6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if mechanical breakdown results in elevator collision, we will pay for the loss or damage caused by that elevator collision.

- (7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a "specified cause of loss" or building glass breakage, we will pay for the loss or damage caused by that "specified cause of loss" or building glass breakage.

- e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

- g. Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing, unless:
 - (1) You do your best to maintain heat in the building or structure; or

(2) You drain the equipment and shut off the supply if the heat is not maintained.

- h. Dishonest or criminal act (including theft) by you, any of your partners, members, officers, managers, employees (including temporary employees and leased workers), directors, trustees or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party.

This exclusion:

- (1) Applies whether or not an act occurs during your normal hours of operation;

 - (3) Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to (1) or (2) above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, k., does not apply:

But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, l., does not apply to damage to glass caused by chemicals applied to the glass.

- m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.
3. We will not pay for loss or damage caused by or resulting from any of the following, 3.a. through 3.c. But if an excluded cause of loss that is listed in 3.a. through 3.c. results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

 - (b) Suspension, lapse or cancellation of any license, lease or contract. But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period Of Indemnity Optional Coverage or any variation of these.
- (4) Any Extra Expense caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "period of restoration".

- (2) The following additional exclusions apply to insurance under this Coverage Form:

(a) Contractual Liability

We will not defend any claim or "suit", or pay damages that you are legally liable to pay, solely by reason of your assumption of liability in a contract or agreement. But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

- (i) Your assumption of liability was executed prior to the accident; and
- (ii) The building is Covered Property under this Coverage Form.

(b) Nuclear Hazard

We will not defend any claim or "suit", or pay any damages, loss, expense or obligation, resulting from nuclear reaction or radiation, or radioactive contamination, however caused.

5. Additional Exclusion

The following provisions apply only to the specified property:

Loss Or Damage To Products

We will not pay for loss or damage to any merchandise, goods or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production or use of the product, including planning, testing, processing, packaging, installation, maintenance or repair. This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
 - a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
 - b. Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
 - c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
- (2) Business Income Coverage or Extra Expense Coverage.
- e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
- f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:
 - (1) Dampness or dryness of atmosphere or of soil supporting the vegetation;
 - (2) Changes in or extremes of temperature;
 - (3) Disease;
 - (4) Frost or hail; or
 - (5) Rain, snow, ice or sleet.
2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a. Animals, and then only if they are killed or their destruction is made necessary.
 - b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:
 - (1) Glass; or
 - (2) Containers of property held for sale.
 - c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

 - (1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or
 - (2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

- a. \$2,500 for furs, fur garments and garments trimmed with fur.
- b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
- c. \$2,500 for patterns, dies, molds and forms.
- d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or
- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in **2.a.** or **2.b.**;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

- 1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- 2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
- 3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
 - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 BUSINESS INCOME COVERAGE FORM (AND EXTRA EXPENSE)
 BUSINESS INCOME COVERAGE FORM (WITHOUT EXTRA EXPENSE)
 BUSINESS INCOME AND EXTRA EXPENSE COVERAGE FORM ACTUAL LOSS SUSTAINED
 CAUSES OF LOSS – BASIC FORM
 CAUSES OF LOSS – BROAD FORM

B. Exclusions

1. The exclusion of collapse in the Causes of Loss – Special Form does not apply to collapse caused by Earthquake or Volcanic Eruption.
2. The Additional Coverage – Collapse, in the Causes of Loss - Broad Form and Causes of Loss – Special Form does not apply to the coverage provided under this endorsement. This endorsement includes coverage for collapse caused by Earthquake or Volcanic Eruption.

Collapse does not apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
 - b. A part of a building that is standing, even if it has separated from another part of the building; or
 - c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
3. We will not pay for loss or damage to land, nor the cost to remediate or restore land. Costs for excavations, grading, backfilling or filling land due to collapse or sinking which results from Earth Movement is not covered under this endorsement.
 4. We will not pay for loss or damage caused directly or indirectly by:
 - a. Tidal wave or tsunami; or
 - b. The release of water impounded by a dam, levee, dike or flood control device;
 that ensues from an Earth Movement "occurrence".
 5. The Ordinance or Law exclusion in the Causes of Loss Coverage Form will continue to apply with respect to any loss under the Building and Personal Property Coverage Form, including any loss under this endorsement, unless Ordinance or Law coverage is added by endorsement.
 6. We will not pay for loss or damage caused by or resulting from Earth Movement that begins before the inception of this endorsement.

C. Coinsurance

The Coinsurance Condition in this policy, if any, does not apply to the coverage provided under this endorsement.

D. Additional Coverages and Coverage Extensions

1. With respect to Earth Movement coverage, the Newly Acquired or Constructed Property Coverage Extension (and any additional limit for Newly Acquired or Constructed Property under a Limit Of Insurance clause or an endorsement) is amended by adding the following:
 - a. With respect to Earth Movement Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.
 - b. With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in the coverage extension do not apply to Earth Movement Coverage. Instead, the most we will pay for loss or damage due to Earth Movement on Newly Acquired or Constructed Property is \$100,000 in any one "occurrence" and in any one policy year. This limit is a part of and does not increase the applicable Limit Of Insurance for Earth Movement.
2. With respect to any applicable Additional Coverages and Coverage Extension in the Coverage Form to which this endorsement is attached, other than those addressed in Paragraph D.1. above, amounts payable under such other provisions, as set forth therein, do not increase the Limit Of Insurance for Earth Movement.

E. Limits of Insurance

1. Per "Occurrence" Limit Of Insurance

The most we will pay for loss or damage caused by Earth Movement in any one "occurrence" is the applicable per "occurrence" Limit Of Insurance shown in the Earth Movement Declarations regardless of the number of locations involved.

2. Annual Aggregate Limit Of Insurance

The Annual Aggregate Limit Of Insurance in the Earth Movement Declarations is the most we will pay for the total of all loss or damage that is caused by Earth Movement even if there is more than one Earth Movement loss in a 12 month policy period (starting with the beginning of the present annual policy period). If the first Earth Movement event does not exhaust the Limit Of Insurance, then the balance of that Limit is available for a subsequent Earth Movement event, otherwise covered under this Endorsement.

If a single "occurrence" of Earth Movement begins during one annual policy period and

ends during the following annual policy period, any Limit Of Insurance or Annual Aggregate applicable to that following annual policy period will not apply to that Earth Movement event.

3. Maximum Per "Occurrence" Limit Of Insurance

Regardless of the number of per "occurrence" Limits shown in the Earth Movement Declarations, the Maximum per "Occurrence" Limit Of Insurance shown in the Earth Movement Declarations is the Most we will pay in any one "Occurrence".

4. Maximum Annual Aggregate Limit Of Insurance

Regardless of the number of Annual Aggregate Limits shown in the Earth Movement Declarations, the most we will pay in any 12 month policy period is the Maximum Annual Aggregate Limit Of Insurance.

5. Ensuing Loss

In the event of covered ensuing loss (such as fire) results from the Earth Movement, the most we will pay for the total of all loss or damage caused by Earth Movement and other Covered Cause of Loss is the Limit Of Insurance applicable to such other Covered Cause of Loss. We will not pay the sum of the Fire and Earth Movement Limits of Insurance.

EXAMPLES – ENSUING LOSS

Two examples follow, using these facts: The Commercial Property Coverage Part, in these examples, includes the Causes of Loss – Basic Form (which covers fire) and this Earth Movement Coverage Endorsement. A building is damaged by Earth Movement and by Fire which is caused by the Earth Movement. The value of the damaged building is \$1,000,000. The Limit Of Insurance applicable to the building, for the Basic Causes of Loss, is \$800,000. The Limit Of Insurance for Earth Movement is \$400,000. The Earth Movement Deductible amount is \$5,000.

EXAMPLE #1

The damage due to Earth Movement is \$500,000. The damage due to Fire is \$500,000.

Payment for Earth Movement damage is \$400,000 (\$500,000 damage minus \$5,000 Earth Movement deductible = \$495,000; Limit is \$400,000). Payment for Fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the Earth Movement Limit).

Total Loss Payment is \$800,000.

EXAMPLE #2

The damage due to Earth Movement is \$800,000. The damage due to Fire is \$100,000.

Payment for Earth Movement damage is \$400,000 (\$800,000 damage minus \$5,000 Earth Movement deductible = \$795,000; Limit is \$400,000).

Payment for Fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

Note: These Examples are given only to illustrate the situation of Earth Movement and ensuing loss. Therefore, the loss payment stated for Earth Movement damage does not address the situation where another policy also covers the Earth Movement damage.

F. Deductible

1. The Provisions of Paragraph **F.2.** of this endorsement are applicable to all Coverage Forms except:

- a. Business Income (And Extra Expense) Coverage Form;
- b. Business Income (Without Extra Expense) Coverage Form;
- c. Business Income And Extra Expense – Actual Loss Sustained;
- d. Extra Expense Coverage Form

2. The Deductible for coverage provided under this endorsement is the Deductible applicable to Earth Movement as shown in the Earth Movement Declarations.

a. Dollar Deductible

Where a Dollar Deductible is shown in the Declarations, we will not pay for loss or damage in any one "occurrence" until the total amount of loss or damage exceed the Dollar deductible shown in the Earth Movement Declarations. We will then pay the amount of loss or damage in excess of the Deductible up to the Earth Movement Limit Of Insurance shown in the Earth Movement Declarations. If only Building or Personal Property suffer loss or damage, the applicable Building or Personal Property deductible will apply. If both Building and Personal Property suffer loss or damage, only the higher deductible will apply.

b. Percentage Deductible

Where a Percentage Deductible is shown in the Declarations, the Deductible is calculated separately to each building,

personal property and personal property in the open. In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage (as shown in the Earth Movement Declarations) of the Limits of Insurance applicable to the property that has sustained loss or damage. Percentage Deductibles are separately calculated and applied even if:

- (1) Two or more buildings sustain loss or damage;
- (2) Personal property at two or more buildings sustains loss or damage; or
- (3) A building and the personal property in that building sustains loss or damage.

We will then pay the amount of loss or damage in excess of the Deductible up to the "occurrence" Limit Of Insurance as shown in the Earth Movement Declarations.

3. If Earth Movement results in another Covered Cause of Loss and if both Covered Causes of Loss cause loss or damage, then only the higher deductible applies.

G. Example – Application of Percentage Deductible – For Specific or Blanket Insurance

The values, as shown in the most recent statement of Values on file with us are:

Building #1 \$500,000

Building #2 \$500,000

Business Personal Property at Building #1 \$250,000

Business Personal Property at Building #2 \$250,000

For this example, assume that the amounts of loss do not exceed the applicable Limits of Insurance (for specific insurance). Also assume that the total amount of loss does not exceed the applicable blanket Limit Of Insurance (for blanket insurance).

Building #1 and Business Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Business Personal Property).

The Deductible is 10%.

Building:

Step (1): \$500,000 x 10% = \$50,000

Step (2): \$95,000 - \$50,000 = \$45,000

Business Personal Property:

Step (1): \$250,000 x 10% = \$25,000.

The loss, \$5000, does not exceed the deductible.

The most we will pay is \$45,000. The remainder of the building loss, \$50,000 is not covered due to application of the Deductible. There is no loss payment for business personal property.

H. Business Income and Extra Expense Period of Restoration

This Paragraph H., is applicable only to the following coverage forms:

1. Business Income (And Extra Expense);
2. Business Income (Without Extra Expense);
3. Business Income And Extra Expense – Actual Loss Sustained;
4. Extra Expense Coverage Form.

The “period of restoration” definition stated in the Coverage Form, or in any endorsement amending the beginning of the “period of restoration”, applies to each Earth Movement event. A single Earth Movement is defined in Paragraph A. of this endorsement.

I. Definitions

“Occurrence” means all loss or damage that is attributable to:

- a. An act, event, cause or series of similar, related acts, events or causes involving one or more persons; or
- b. An act, event, cause or series of similar, related acts, events or causes not involving any person.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLOOD ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 BUSINESS INCOME COVERAGE FORM (AND EXTRA EXPENSE)
 BUSINESS INCOME COVERAGE FORM (WITHOUT EXTRA EXPENSE)
 BUSINESS INCOME AND EXTRA EXPENSE COVERAGE FORM ACTUAL LOSS SUSTAINED
 CAUSES OF LOSS – BASIC FORM
 CAUSES OF LOSS – BROAD FORM
 CAUSES OF LOSS – SPECIAL FORM
 EXTRA EXPENSE COVERAGE FORM

A. Additional Covered Causes of Loss

Flood is added as a Covered Cause of Loss only for locations described in the Flood Declarations:

1. Flood means a general and temporary condition of partial or complete inundation of normally dry land areas due to:
 - a. Surface water or waves, tides, tidal waves, tsunami, overflow of any body of water or their spray, all whether driven by wind or not;
 - b. The unusual or rapid accumulation of runoff of surface waters from any source;
 - c. Mudslides or mudflows which are caused by flooding defined in Paragraph **A.1.b.** above. For purpose of this Covered Cause of Loss, a mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current;
 - d. Water or waterborne material which backs up through or overflows from a sewer, drain or sump; For the purpose of this endorsement, the term drain includes a roof drain and related fixtures.
 - e. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment which is designed to remove subsurface water which is drained from the foundation area;
 - f. Water under the ground surface pressing on, or flowing or seeping through:
 - (1) Foundations, walls, floor or paved surfaces;
 - (2) Basements whether paved or not; or
 - (3) Doors, windows or other openings in any building or other structure; or

- g. The release of water impounded by a dam, levee, dike or flood control device.

All flooding in a continuous or protracted event will constitute a single flood occurrence.

B. Exclusions, Limitations and Related Provisions

1. The Exclusions and Limitations(s) section of the Causes of Loss Form apply to coverage provided under this endorsement except as provided in Paragraphs **B. 3.** and **B.4.** below.
2. Coverage described in Paragraphs **A.1.d.** and **A.1.e.** does not apply to loss or damage resulting from an insured's failure to:
 - a. Keep a sump pump or its related equipment in proper working condition; or
 - b. Perform routine maintenance or repair necessary to keep a sewer or drain free from obstruction.
3. To the extent that a part of the Water Exclusion might conflict with coverage provided under this endorsement, that part of the Water Exclusion does not apply.
4. To the extent that tsunami causes the overflow of tidal waters, the exclusion of earthquake in the Earth Movement exclusion, will not apply to coverage provided under this endorsement.
5. The Ordinance or Law exclusion in the Causes of Loss Coverage Form will continue to apply with respect to any loss under the Building and Personal Property Coverage Form, including any loss under this endorsement, unless Ordinance or Law Coverage is added by endorsement.
6. We do not cover loss or damage by Flood to personal property in the open except to the extent that such coverage, if any is specified in the Flood Declarations.
7. **Property Not Covered**, in the Coverage Form to which this endorsement is attached, is

amended and supplemented as follows with respect to Flood Coverage:

- a. Property Not Covered Includes boat houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
- b. If bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building, have been removed from Property Not Covered and added as Covered Property by separate endorsement, this Flood Coverage Endorsement does not apply to such property.
- c. The following are removed from Property Not Covered and are therefore Covered Property:
 - (1) Foundations below the lowest basement floor or below the surface of the ground if there is no basement;
 - (2) Underground Pipes, flues and drains; and
 - (3) Retaining walls whether or not part of a building.

C. Additional Coverages and Coverage Extensions

1. With respect to Flood Coverage, the Debris Removal Coverage (and any additional limit for Debris Removal under a Limit Of Insurance clause or an endorsement) is not applicable and is replaced by the following:

DEBRIS REMOVAL

- a. We will pay your expense to remove debris of Covered Property and other debris that is on described premises, when such debris is caused by or results from Flood. However, we will not pay to remove deposits of mud or earth from the grounds of the described premises.
- b. We will pay your expense to remove debris of Covered Property that has floated or been hurled off the described premises by Flood.
- c. This coverage for Debris Removal, as set forth in Paragraphs **C.1.a.** and **C.1.b.** above, does not increase the applicable Limit Of Insurance for Flood. Therefore, the most we will pay for the total of debris removal and loss or damage to Covered Property is the Limit Of Insurance for Flood that applied to the Covered Property at the affected described premises covered under this endorsement.

2. With respect to Flood Coverage, the Newly Acquired or Constructed Property Coverage Extension (and any additional limit for Newly Acquired or Constructed Property under a Limit Of Insurance clause or an endorsement) is amended by adding the following:

- a. With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.
- b. With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in the coverage extension do not apply to Flood Coverage. Instead, the most we will pay for loss or damage due to Flood on Newly Acquired or Constructed Property is \$100,000 in any one "occurrence" and in any one policy year. This limit is a part of and does not increase the applicable Limit Of Insurance for Flood.

3. With respect to any applicable Additional Coverages and Coverage Extension in the Coverage Form to which this endorsement is attached, other than those addressed in Paragraphs **C.1** and **C.2.** above, amounts payable under such other provisions, as set forth therein, do not increase the Limit Of Insurance for Flood.

D. Coinsurance

The Coinsurance Condition in this policy, if any, does not apply to the coverage provided under this endorsement.

E. Limits of Insurance

1. Per "Occurrence" Limit Of Insurance

The most we will pay for loss or damage caused by Flood in any one "occurrence" is the applicable per "occurrence" Limit Of Insurance shown in the Flood Declarations regardless of the number of locations involved.

2. Annual Aggregate Limit Of Insurance

The Annual Aggregate Limit Of Insurance for Flood shown in the Flood Declarations is the most we will pay for the total of all loss or damage that is caused by Flood even if there is more than one Flood event in a 12 month policy period (starting with the beginning of the present annual policy period). If the first Flood does not exhaust the Limit Of Insurance, then the balance of that Limit is available for a subsequent Flood event otherwise covered under this endorsement.

If a single "occurrence" of Flood begins during one annual policy period and ends during the following annual policy period, any Limit Of

Insurance or Annual Aggregate applicable to that following annual policy period will not apply to that Flood event.

3. Maximum Per "Occurrence" Limit Of Insurance

Regardless of the number of per "occurrence" Limits shown in the Flood Declarations, the Maximum per "Occurrence" Limit Of Insurance shown in the Flood Declarations is the Most we will pay in any one "Occurrence".

4. Maximum Annual Aggregate Limit Of Insurance

Regardless of the number of Annual Aggregate Limits show in the Flood Declarations, the most we will pay in any 12 month policy period is the Maximum Annual Aggregate Limit Of Insurance.

5. Ensuing Loss

In the event of covered ensuing loss for example, loss caused by Fire, Explosion or Sprinkler Leakage which results from the Flood, the most we will pay, for the total of all loss or damage caused by Flood, Fire, Explosion, and Sprinkler Leakage is the Limit Of Insurance applicable to Fire. We will not pay the sum of the Fire and Flood Limits of Insurance.

EXAMPLES – ENSUING LOSS

Two examples follow, using these facts: The Commercial Property Coverage Part, in these examples, includes the Causes of Loss – Basic Form (which covers fire) and this Flood Coverage Endorsement. A building is damaged by Flood and by Fire which is caused by the Flood. The value of the damaged building is \$1,000,000. The Limit Of Insurance applicable to the building, for the Basic Causes of Loss, is \$800,000. The Limit Of Insurance for Flood is \$400,000. The Flood Deductible amount is \$5,000.

EXAMPLE #1

The damage due to Flood is \$500,000. The damage due to Fire is \$500,000.

Payment for Flood damage is \$400,000 (\$500,000 damage minus \$5,000 Flood deductible = \$495,000; Limit is \$400,000).

Payment for Fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the Flood Limit).

Total Loss Payment is \$800,000.

EXAMPLE #2

The damage due to Flood is \$800,000. The damage due to Fire is \$100,000.

Payment for Flood damage is \$400,000 (\$800,000 damage minus \$5,000 Flood deductible = \$795,000; Limit is \$400,000).

Payment for Fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

Note: These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the Flood damage.

F. Deductible

1. The provisions of Paragraph **F.2.** of this endorsement are applicable to all Coverage Forms except:

- a. Business Income (And Extra Expense) Coverage Form;
- b. Business Income (Without Extra Expense) Coverage Form;
- c. Business Income And Extra Expense – Actual Loss Sustained;
- d. Extra Expense Coverage Form

2. The Deductible, for coverage provided under this endorsement is the Deductible applicable to Flood as shown in the Flood Declarations.

a. Dollar Deductible

Where a Dollar Deductible is shown in the Declarations, we will not pay for loss or damage in any one "occurrence" until the total amount of loss or damage exceeds the Dollar Deductible shown in the Flood Declarations. We will then pay the amount of loss or damage in excess of the Deductible up to the Flood per "Occurrence" Limit Of Insurance shown in the Flood Declarations. If only Building or Personal Property suffer loss or damage, the applicable Building or Personal Property deductible will apply. If both Building and Personal Property suffer loss or damage, only the higher deductible will apply.

b. Percentage Deductible

Where a Percentage Deductible is shown in the Declarations, the Deductible is calculated separately to each building, personal property and personal property in the open. In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage (as shown in the Flood Declarations) of the Limits of Insurance applicable to the property that has

sustained loss or damage. Percentage Deductibles are separately calculated and applied even if:

- (1) Two or more buildings sustain loss or damage;
- (2) Personal property at two or more buildings sustains loss or damage; or
- (3) A building and the personal property in that building sustains loss or damage.

We will then pay the amount of loss or damage in excess of the Deductible up to the "occurrence" Limit Of Insurance shown in the Flood Declarations.

3. If Flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause loss or damage, then only the higher deductible applies.

G. Example – Application of Percentage Deductible – For Specific or Blanket Insurance

The values, as shown in the most recent statement of Values on file with us are:

Building #1 \$500,000

Building #2 \$500,000

Business Personal Property at Building #1 \$250,000

Business Personal Property at Building #2 \$250,000

For this example, assume that the amounts of loss do not exceed the applicable Limits of Insurance (for specific insurance). Also assume that the total amount of loss does not exceed the applicable blanket Limit Of Insurance (for blanket insurance).

Building #1 and Business Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Business Personal Property).

The Deductible is 10%.

Building:

Step (1): $\$500,000 \times 10\% = \$50,000$

Step (2): $\$95,000 - \$50,000 = \$45,000$

Business Personal Property:

Step (1): $\$250,000 \times 10\% = \$25,000$.

The loss, \$5000, does not exceed the deductible.

The most we will pay is \$45,000. The remainder of the building loss, \$50,000 is not covered due to application of the Deductible. There is no loss payment for business personal property.

H. Business Income and Extra Expense Period of Restoration

This Paragraph H., is applicable only to the following coverage forms:

1. Business Income (And Extra Expense);
2. Business Income (Without Extra Expense);
3. Business Income And Extra Expense – Actual Loss Sustained;
4. Extra Expense Coverage Form.

The "period of restoration" definition stated in the Coverage Form, or in any endorsement amending the beginning of the "period of restoration", applies to each Flood event. A single Flood is defined in Paragraph A. of this endorsement.

I. Definitions

"Occurrence" means all loss or damage that is attributable to:

- a. An act, event, cause or series of similar, related acts, events or causes involving one or more persons; or
- b. An act, event, cause or series of similar, related acts, events or causes not involving any person.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

1. Additional Insured by Contract, Agreement or Permit

The following is added to **SECTION II – WHO IS AN INSURED**:

Additional Insured by Contract, Agreement or Permit

- a. Any person or organization with whom you agreed in a written contract, written agreement or permit that such person or organization to add an additional insured on your policy is an additional insured only with respect to liability for “bodily injury”, “property damage”, or “personal and advertising injury” caused, in whole or in part, by your acts or omissions, or the acts or omissions of those acting on your behalf, but only with respect to:

- (1) "Your work" for the additional insured(s) designated in the contract, agreement or permit;

- (2) Premises you own, rent, lease or occupy; or

- (3) Your maintenance, operation or use of equipment leased to you.

- b. The insurance afforded to such additional insured described above:

- (1) Only applies to the extent permitted by law; and

- (2) Will not be broader than the insurance which you are required by the contract, agreement or permit to provide for such additional insured.

- (3) Applies on a primary basis if that is required by the written contract, written agreement or permit.
 - (4) Will not be broader than coverage provided to any other insured.
 - (5) Does not apply if the "bodily injury", "property damage" or "personal and advertising injury" is otherwise excluded from coverage under this Coverage Part, including any endorsements thereto.
- c. This provision does not apply:
- (1) Unless the written contract or written agreement was executed or permit was issued prior to the "bodily injury", "property damage", or "personal injury and advertising injury".
 - (2) To any person or organization included as an insured by another endorsement issued by us and made part of this Coverage Part.
 - (3) To any lessor of equipment:
 - (a) After the equipment lease expires; or
 - (b) If the "bodily injury", "property damage", "personal and advertising injury" arises out of sole negligence of the lessor
 - (4) To any:
 - (a) Owners or other interests from. whom land has been leased which takes place after the lease for the land expires; or
 - (b) Managers or lessors of premises if:
 - (i) The occurrence takes place after you cease to be a tenant in that premises; or
 - (ii) The "bodily injury", "property damage", "personal injury" or "advertising injury" arises out of structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor.
 - (5) To "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services.
- This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" or the offense which caused the "personal and

advertising injury" involved the rendering of or failure to render any professional services by or for you.

- d. With respect to the insurance afforded to these additional insureds, the following is added to **SECTION III – LIMITS OF INSURANCE**:

The most we will pay on behalf of the additional insured for a covered claim is the lesser of the amount of insurance:

- 1. Required by the contract, agreement or permit described in Paragraph a.; or
- 2. Available under the applicable Limits of Insurance shown in the Declarations.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

2. Additional Insured – Primary and Non-Contributory

The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 4. Other insurance:

Additional Insured – Primary and Non-Contributory

If you agree in a written contract, written agreement or permit that the insurance provided to any person or organization included as an Additional Insured under **SECTION II – WHO IS AN INSURED**, is primary and non-contributory, the following applies:

If other valid and collectible insurance is available to the Additional Insured for a loss covered under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary to other insurance that is available to the Additional Insured which covers the

Additional Insured as a Named Insured. We will not seek contribution from any other insurance available to the Additional Insured except:

- (1) For the sole negligence of the Additional Insured;
- (2) When the Additional Insured is an Additional Insured under another primary liability policy; or
- (3) when b. below applies.

If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

(1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(b) That is Fire insurance for premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner;

(c) That is insurance purchased by the Additional Insured to cover the Additional Insured's liability as a tenant for "property damage" to premises rented to the Additional Insured or temporarily occupied by the Additional Insured with permission of the owner; or

(d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of **SECTION I – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**.

(2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other Insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each

insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers

3. Blanket Waiver of Subrogation

The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, Paragraph 8. **Transfer Of Rights Of Recovery Against Others To Us:**

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

These payments will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION III – LIMITS OF INSURANCE

 because of all "bodily injury" and "property damage" arising out of any one "occurrence".

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.
 You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
- c. You and any other involved insured must:
 - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.
- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

We will have the right and duty to defend the insured against any "suit" seeking those damages. - D. For the purposes of the coverage provided by this endorsement, **Section III - Limits Of Insurance** is replaced by the following:

 - (2) "Claims" made or "suits" brought;
 - (3) Persons or organizations making "claims" or bringing "suits";
 - (4) Acts, errors or omissions; or

- b. The Aggregate Limit is the most we will pay for all damages because of acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".
- c. Subject to the Aggregate Limit, the Each Employee Limit is the most we will pay for all damages sustained by any one "employee", including damages sustained by such "employee's" dependents and beneficiaries, as a result of:
 - (1) An act, error or omission; or
 - (2) A series of related acts, errors or omissions negligently committed in the "administration" of your "employee benefit program".

However, the amount paid under this endorsement shall not exceed, and will be subject to, the limits and restrictions that apply to the payment of benefits in any plan included in the "employee benefit program".

The Limits of Insurance of this endorsement apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations of the policy to which this endorsement is attached, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

2. Deductible

- a. Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of the deductible amount stated in the Schedule as applicable to Each Employee. The limits of insurance shall not be reduced by the amount of this deductible.
- b. The deductible amount stated in the Schedule applies to all damages sustained by any one "employee", including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.
- c. The terms of this insurance, including those with respect to:
 - (1) Our right and duty to defend any "suits" seeking those damages; and
 - (2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, or "claim"

apply irrespective of the application of the deductible amount.
- d. We may pay any part or all of the deductible amount to effect settlement of any "claim" or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.
- E. For the purposes of the coverage provided by this endorsement, Conditions 2. and 4. of **Section IV - Commercial General Liability Conditions** are replaced by the following:
 - 2. **Duties In The Event Of An Act, Error Or Omission, Or "Claim" Or "Suit"**
 - a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a "claim". To the extent possible, notice should include:
 - (1) What the act, error or omission was and when it occurred; and

- (2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

b. If a "claim" is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the "claim" or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the "claim" or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

- (1) This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is effective prior to the beginning of the policy period shown in the Schedule of this insurance and that applies to an act, error or omission on other than a claims-made basis, if:
- (a) No Retroactive Date is shown in the Schedule of this insurance; or
- (b) The other insurance has a policy period which continues after the Retroactive Date shown in the Schedule of this insurance.
- (2) When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.
- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of the total amount that all such other insurance would pay for the loss in absence of this insurance; and the total of all deductible and self-insured amounts under all that other insurance.
- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Schedule of this endorsement.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance to the total applicable limits of insurance of all insurers.

- F. For the purposes of the coverage provided by this endorsement, the following Extended Reporting Period provisions are added, or, if this endorsement is attached to a claims-made Coverage Part, replaces any similar Section in that Coverage Part:

EXTENDED REPORTING PERIOD

1. You will have the right to purchase an Extended Reporting Period, as described below, if:
 - a. This endorsement is canceled or not renewed; or
 - b. We renew or replace this endorsement with insurance that:
 - (1) Has a Retroactive Date later than the date shown in the Schedule of this endorsement; or
 - (2) Does not apply to an act, error or omission on a claims-made basis.
2. The Extended Reporting Period does not extend the policy period or change the scope of coverage provided. It applies only to "claims" for acts, errors or omissions that were first committed before the end of the policy period but not before the Retroactive Date, if any, shown in the Schedule. Once in effect, the Extended Reporting Period may not be canceled.
3. An Extended Reporting Period of five years is available, but only by an endorsement and for an extra charge.

You must give us a written request for the endorsement within 60 days after the end of the policy period. The Extended Reporting Period will not go into effect unless you pay the additional premium promptly when due.

We will determine the additional premium in accordance with our rules and rates. In doing so, we may take into account the following:

- a. The "employee benefit programs" insured;
- b. Previous types and amounts of insurance;
- c. Limits of insurance available under this endorsement for future payment of damages; and
- d. Other related factors.

The additional premium will not exceed 100% of the annual premium for this endorsement.

The Extended Reporting Period endorsement applicable to this coverage shall set forth the terms, not inconsistent with this Section, applicable to the Extended Reporting Period, including a provision to the effect that the insurance afforded for "claims" first received during such period is excess over any other valid and collectible insurance available under policies in force after the Extended Reporting Period starts.

4. If the Extended Reporting Period is in effect, we will provide an extended reporting period aggregate limit of insurance described below, but only for claims first received and recorded during the Extended Reporting Period.

The extended reporting period aggregate limit of insurance will be equal to the dollar amount shown in the Schedule of this endorsement under Limits of Insurance.

Paragraph **D.1.b.** of this endorsement will be amended accordingly. The Each Employee Limit shown in the Schedule will then continue to apply as set forth in Paragraph **D.1.c.**

1. Acquisition of the "Named Insured"

If during the "policy period":

- a. Another individual, entity or group of individuals or entities acquires more than fifty percent (50%) of the assets of the "named insured"; or
- b. Another individual, entity or group of individuals or entities acquires more than fifty percent (50%) of the outstanding securities representing the right to vote for the election of directors, trustees, members of the Board of Managers or management committee members of the "named insured"; or
- c. The "named insured" consolidates or merges with another entity and the "named insured" is not the surviving entity; or
- d. The "named insured" emerges from bankruptcy on an effective date stated in the plan of reorganization; then the coverage provided under this Coverage Part shall continue until the termination or expiration of the "policy period", but only for "claims" for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty which occurs prior to the transaction date of such event.

The "named insured" shall notify the "insurer" of any such event described in paragraphs 1.a. thru 1.d. above as soon as practicable but no later than sixty (60) days after the effective date of the transaction, and provide such additional information as the "insurer" requires.

2. Cessation of "Subsidiaries"

If before or during the "policy period" an "insured entity" ceases to be a "subsidiary" then coverage for such "subsidiary" and its "insureds" shall continue under all Insuring Agreements until termination or expiration of this "policy period" but only for "claims" for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty that takes place prior to the date such entity ceased to be a "subsidiary".

3. Acquisition of Another Organization

If before or during the "policy period" the "insured entity" acquires the voting rights of another entity such that the acquired entity

becomes a "subsidiary", then coverage for such "subsidiary" and its "insureds" shall be provided but only for "claims" for any "Privacy Breach", "Security Breach" or "Cyber Media Breach" that takes place after the date such entity became a "subsidiary".

If during the "policy period" the "insured entity" acquires another entity and at the time of such acquisition the entity becomes a "subsidiary" (or would have but for its absorption into the "insured") and the total revenue of the acquired entity exceeded twenty five percent (25%) of the "insured entity" as of the beginning of the "policy period", then the "named insured" shall agree to any amendments to the terms of this Coverage Part, including, but not limited to, any additional premium the "insurer" may require.

E. Subrogation

If the "insured" has rights to recover all or part of any payment the "insurer" has made under this Coverage Part, those rights are transferred to the "insurer". The "insured" must do nothing after "loss" to impair them. At the request of the "insurer", the "insured" will bring suit or transfer those rights to the "insurer" and help the "insurer" enforce them.

F. Other Insurance

If other valid and collectible insurance (other than a Policy or Coverage Part issued specifically as excess of this Coverage Part) is available to the "insured" for "loss" covered under this Coverage Part, then the insurance provided by this Coverage Part shall be excess of such other insurance regardless of whether or not such insurance is primary, contributory, excess, contingent or on any other basis.

When this insurance is excess, the "insurer" will have no duty to investigate or defend any "claim" if any other insurer has a duty to defend the "insured" against that "claim". If no other insurer defends, the "insurer" will undertake to do so, but the "insurer" will be entitled to the "insured's" rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the "loss", if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the "loss" in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all that other insurance.

G. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the "loss" remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

H. Territory

Coverage applies anywhere in the world, provided that no trade or economic sanction, embargo, insurance or other laws or regulations prohibit the "insurer" from covering the "loss". However, any "claim" made must be brought and held against the "insured" in the United States of America, its territories or possessions, Puerto Rico or Canada.

I. Cancellation And Non-Renewal

With regard to the cancellation and non-renewal of this policy, the provisions outlined in the Commercial General Liability Coverage Part and the Common Policy Conditions or the Businessowners Coverage Part, whichever are included in the policy, shall apply and will automatically include the non-renewal or cancellation of this coverage form. You agree that no further notice regarding termination of this Coverage Form will be required.

For the purposes of the Cancellation and Nonrenewal provisions, the words "you" and "your" refer to the "Named Insured" shown in the Declarations, and any other person or organization qualifying as a "Named Insured" under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

J. Bankruptcy

Bankruptcy of an "insured" shall not relieve the "insurer" of its obligations under this Coverage Part.

K. Role of Named "Insured"

By accepting this Coverage Part, the "named insured" agrees that it is authorized to, and will act on behalf of all "insureds" with respect to any rights provided under this Coverage Part and each "insured" authorizes the "named insured" to act on its behalf with respect to all such matters.

L. Titles and Headings

The titles and headings in this Coverage Part are solely for convenience and form no part of the terms and conditions of coverage.

M. Conformance to Law and Trade Sanctions

Coverage under this Coverage Part does not apply to the extent trade, economic sanction, insurance or other laws or regulations prohibit the "insurer" from providing insurance. The terms of this Coverage Part which are in conflict with the statutes of the jurisdiction in which this Coverage Part is issued are amended to conform to those statutes.

N. Two or More Coverage Parts, Forms, Endorsements or Policies Issued By The "Insurer"

It is the "insurer's" stated intent that the various coverage parts, forms, endorsements or policies issued to the "named insured" by the "insurer" or any company affiliated with the "insurer"; do not provide any duplication or overlap of coverage for the same "claim" or "loss". If this coverage part and any other coverage part, form, endorsement or policy issued to the "named insured" by the "insurer", or any company affiliated with the "insurer", apply to the same "claim" or "loss"; the maximum Limit of Liability under all such coverage parts, forms, endorsements or policies combined shall not exceed the highest applicable Limit of Liability under any one coverage part, form, endorsement or policy.

This condition does not apply to any Excess or Umbrella Policy issued by the "insurer" specifically to apply as excess insurance over this policy or Coverage Part.

O. Due Diligence

The "named insured" agrees to use due diligence to prevent and mitigate "loss" covered under this Coverage Part. This includes, but is not limited to, complying with reasonable and industry-accepted protocols for providing and maintaining the following:

1. Physical security for the "named insured's" premises, "computer" "systems" and hard copy files;
2. "Computer" and Internet security;
3. Periodic backups of "computer" "data";
4. Protection, including but not limited to, encryption of "data", for transactions such as processing credit card, debit card and check payments; and
5. Disposal of files containing "private personal data", including but not limited to shredding hard copy files and destroying physical "media" used to store electronic "data".

SECTION VIII – EXTENDED REPORTING PERIODS

A. The “insurer” will provide one or more Extended Reporting Periods, as described below, if:

1. This Coverage Part is canceled or not renewed; or
2. The “insurer” renews or replaces this Coverage Part with insurance that:
 - a. Has a Retroactive Date later than the date shown in **Item 4.** of the Cyber Declarations; or
 - b. Does not apply to “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” on a claims-made basis.

The “named insured” agrees that in the event of a “claim” made during an Extended Reporting Period, they will do nothing that could prejudice the position of the “insurer” or any potential or actual rights of recovery, subrogation, or contribution.

B. Extended Reporting Periods do not extend the “policy period” or change the scope of the coverage provided. They apply only to “claims” because of “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date.

Once in effect, Extended Reporting Periods may not be canceled.

C. If the “insurer” cancels or does not renew this Coverage Part for any reason other than nonpayment of premium, an Automatic Extended Reporting Period will be provided without an additional premium. This period starts with the end of the “policy period” and lasts for 60 days with respect to “claims” because of “loss” arising out of a “Privacy Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date, and not previously reported to the “insurer”.

1. This Automatic Extended Reporting Period does not apply to “claims” that are covered under any subsequent insurance the “named insured” purchases, or that would be covered but for exhaustion of the amount of insurance applicable to such “claims”.
2. The Automatic Extended Reporting Period does not reinstate or increase the Limits of Insurance.

D. If this Coverage Part is cancelled or not renewed, the “named insured” shall have the right, upon payment of an additional premium, to an Optional Extended Reporting Period. This period starts with the end of the “policy period” with respect to “claims” because of “loss” arising out of a “Privacy

Breach”, “Security Breach” or “Cyber Media Breach” occurring prior to the end of the “policy period” but not before the retroactive date, and not previously reported to the “insurer”.

1. This Optional Extended Reporting Period does not apply to “claims” that are covered under any subsequent insurance the “named insured” purchases, or that would be covered but for exhaustion of the amount of insurance applicable to such “claims”.
2. The Optional Extended Reporting Period does not reinstate or increase the Limits of Insurance.
3. The “named insured” must give the “insurer” a written request for the Optional Extended Reporting Period endorsement within 60 days following the date of cancellation or nonrenewal. The Optional Extended Reporting Period will not go into effect unless the “named insured” pays the additional premium promptly when due. If the cancellation or nonrenewal is for nonpayment of premium, this Optional Extended Reporting Period will not be provided unless any earned premium due is paid within 60 days after the effective date of such cancellation or expiration.
4. The available Optional Extended Reporting Periods and associated additional premiums are displayed in the table below.

Optional Reporting Period	Percent of Annual Premium
One Year	100%
Two Years	150%
Three Years	200%

E. In the event similar insurance is in force covering “claims” first made during Extended Reporting Period, coverage provided by this Coverage Part shall be excess over any part of any other valid and collectible insurance available to the “insured”, whether primary, excess, contingent or on any other basis, whose “policy period” begins or continues after this “policy period” ends.
